

Index to Jim Palmer's *The Good Neighbor* series of interviews

July 2013 to February 2018

Jim's series of interviews and reports on goings-on at Menlo Commons offer a glimpse of life here and insight into the fascinating background of numerous residents, past and present.

Each of the 42 issues were printed in color and distributed to residents at the time. A master copy, kept in the Commons Room, was scanned by Dag Forssell in February, 2020. The 42 files total 65 MB, so it appears impractical to make them into a single pdf. Best viewed one at a time.

The index below shows which person was interviewed in which issue.

Many thanks to Jim Palmer for this sustained effort and documentation of Menlo Commons history.
