Directory by Dag Forssell C-204, mc@forssell.com
Dag will provide pdf and Val extra printed copies on request.

This Information Directory up to date: September 1, 2021

WHAT TO DO WHEN....**In case of a health or medical emergency**

CALL 911, stay on the telephone line and give clear, accurate information. State your name, address, building, unit, and your telephone number. Also your gate code if appropriate.

In case of fire

If the fire alarm sounds, feel the door before opening. If it is hot, use another way out. See p. ix and tinyurl.com/FireEducation

Please trigger the alarm in your hallway, then CALL 911

Alarms are located next to each staircase door on every floor. These alarms warn your neighbors, not the fire department, so it is important that you call 911.

In case of emergency, such as flooding...

...or other imminent property damage or safety endangerment, call The Manor emergency phone at 650 587-3505.

In case... (not a complete list, but you get the idea ☺)

You don't want to get yourself locked out	See page xi
The pool needs attention	Call MCS *
A sprinkler problem	Call MCS *
Building needs repair	Call MCS *
Carpet needs cleaning	Call MCS *
Mechanical noise	Call MCS *
A landscaping problem	Call MCS *

Please **DO NOT** call Menlo Commons Board Members or Val Smith for these kinds of problems.

* **MCS** = The Manor Client Services: 650 637-1616 ext. 1
 Email: cs@manorinc.com, Emergency: 650 587-3505.
 The Manor has a staff of 3 on call Mon-Fri, 9:00–5:00
 They will contact Val, our on-site manager.

For more on the Manor, see page iii.

BOARD, COMMITTEES, TELEPHONE**2021 Menlo Commons Board of Directors ***

President	John Loughlin
Vice President	Brian Pirzadeh
Treasurer	Jan Frakes
Secretary	Josephine Dorval
Director	Dag Forssell

Committees: **

Architecture:	Brian Pirzadeh
Facilities:	Dag Forssell
Finance:	Susan Marshall
Landscaping:	John Loughlin
Orientations	Josephine Dorval, Jan Frakes
Social:	Lilly Schulte, Carol Clarke

Important Phone Numbers:

For all emergencies	911
Menlo Commons on-site manager (Val)	650 854-2100
The Manor Client Services	650 637-1616 ext. 1
Non-emergency Fire Department	650 363-4961
Non-emergency Police Department	650 330-6300
Kwik Key (authorized locksmith)	650 965-2997
AT&T	866 299-6824

Telephone – Television – Internet

For all telephone, television or Internet services, service delivery issues or billing questions please call AT&T directly at 866 299-6824. Identify that you are calling from Menlo Commons and are served by a Connected Community Bulk Contract. Have your AT&T phone number handy if you are calling from another phone.

* For more on the nature of our board, see page iv.

** For more on committees, see page v.

OUR MANAGEMENT COMPANY

Menlo Commons is professionally managed by:

The Manor Association

1800 Gateway Drive, Suite 100 San Mateo, CA 94404

Our Community Association Manager is:

Paul Rallonza: Phone: 650 637-1616 ext. 502

Email address: prallonza@manorinc.com

The Manor Association Client Services can be reached via:

Phone: 650 637-1616 ext. 1 Fax: 650 637-1670

Email cs@manorinc.com www.manorinc.com

The Manor Association Client Services ...

...is open Monday thru Friday, 9:00 am–5:00 pm.

All maintenance issues or requests, inquiries, questions or concerns regarding the facilities or operation of Menlo Commons should be directed to Manor Client Services. (Not to Val Smith or HOA Board members.)

When calling please provide your name, building and unit, and your telephone number. Please clearly state the purpose of your call. Client Services will log your call and direct it to the appropriate person for resolution.

Weekend and After-Hours Requests

For Maintenance Services **IF IT IS AN EMERGENCY**, defined as imminent property damage or safety endangerment, please call The Manor at 650 587-3505 and speak to the on-call Manor representative or leave a message with phone number. Your call will be returned ASAP.

IF IT IS NOT AN EMERGENCY, call Manor: 650 637-1616 ext. 1 and at the voicemail prompt please leave a detailed message with your name, building and unit number, that you are calling from Menlo Commons, and the service needed.

GOOD TO KNOW...ORGANIZATION...

Our Menlo Commons Board of Directors...

...are volunteers who serve our Association. By California civil code the Board of Directors has the fiduciary obligation to protect, maintain, and enhance the value of assets, and is responsible for management and operation of the association. The board has retained the services of our management company, the Manor, to handle day-to-day operations, and the Manor in turn, employs our on-site manager, Val Smith. When you have a concern, please direct your communications as shown on page i. Do not call your volunteer board member friends unless a truly urgent issue demands it.

Association CCRs and Bylaws...

...are our formal governing documents. A copy is located in the Commons Room.

Menlo Commons Operating Rules ...

...is a 29-page reference drawn from several documents. A copy is located in the Commons Room. A PDF version is available on request.

Insurance and liability...

...Buildings are owned and insured by the Association. ...Unit owners are **required** to carry an HO-6 policy for content and liability. Tenants are **required** to carry an HO-4 policy. Failure to carry such insurance puts owners and renters at extreme financial risk.

If you consider any remodeling changes to your unit...

...such as air conditioning, new bath, new windows etc., see the Menlo Commons Operating Rules. You will have to prepare a remodel request and submit it to the Board and the City. Questions should be directed to the Architectural Committee. For original unit blueprint drawings, contact Dag Forssell.

GOOD TO KNOW...ORGANIZATION...**Committees...****Architecture / Remodel:**

Homeowners who want to make upgrades or other changes to their units must confer with the Architecture / Remodel committee to determine what can be done with and without a permit from the City of Menlo Park.

Facilities:

The five Menlo Commons buildings are over 40 years old and require understanding and care of common utilities, ventilation systems, as well as general maintenance and upkeep. This committee works to identify issues and resolve them.

Finance:

The Finance Committee works with the Board to continually review the financial condition of the Association.

Landscaping:

The committee will oversee maintenance and improvement to the appearance of the association's common area landscaping (perimeter, lawn, flower gardens, gazebo, walkways, and planters) thru oversight and coordination of the landscaping vendors.

Orientations:

The committee will welcome new residents to Menlo Commons and provide them with pertinent information to enjoy a pleasant and successful move to our community.

Social:

Holiday and other social events are planned by this committee. To use common facilities, residents turn to the social committee for reservations.

COMMUNITY LIVING...**Living together in harmony...**

...means considering the impact of your actions on your neighbors, and it means paying attention to things, odors and sounds.

Composting:

ALL residents are strongly encouraged to compost. It is simple, easy and saves our landfills. It also reduces plumbing issues which we all pay for. Please collect food scraps, pizza boxes, used paper plates, flowers, coffee grounds, and paper food containers and empty them in the big green container right inside the Menlo Commons main driveway entry.

Recycling:

ALL residents are strongly urged to recycle various household waste. Glass, metal, paper, aluminum foil, clean cardboard, plastic jars, and bottles, can be recycled. Check for the recycle symbol if not sure. Styrofoam, bubble wrap and plastic bags cannot be recycled. Place recyclable materials in the large blue bins located in the garage.

Trash:

What cannot be composted or recycled (clothing, broken glass/china), can be placed in plastic bags, tied securely, and placed in the trash chute on each floor. Large items should be carried to the garage level trash room.

Pets:

Are welcome companions, but should neither be seen nor heard in ways that disturb your neighbors. Never bring pets into the Commons Room. Please walk your pets for toilet purposes outside of the fenced interior courtyard, and pick up droppings right away. Place waste in one of the two exterior pet waste collection baskets. Please—kitty litter must be carefully bagged and sealed before being placed in garbage chutes.

COMMUNITY LIVING...

Independent of the board, residents can and do organize activities such as:

Emergency preparedness, Movie nights, Mahjong, Bridge, Exercise, Swimming, Walking, Hiking, Shopping, Swapping books and equipment, Picnics in nearby parks, Communal dining (scheduled, spontaneous, indoors or out). Book clubs, Discussion groups, Lectures, Town Hall meetings, Computer support groups.

Communications...

The Board communicates:

- 1 Notices of HOA meetings are posted on bulletin boards located near mail boxes in each building.
- 2 Notices of HOA meetings and Board meeting minutes are posted and when possible emailed to residents using email addresses shown on pages 16 – 20.
- 3 Important materials (required documents) are sent via the US Mail to owners of record.

Residents communicate between themselves:

- 1 By telephone.
- 2 By email.
- 3 By posting on general purpose bulletin boards located in the elevator lobby on the garage level.

GOOD TO KNOW...BUILDINGS...

Plumbing

It is IMPORTANT that we all **avoid** clogging drains by flushing excess toilet paper, (single thickness recommended) hygiene products and/or wipes down the toilet drains. **Wipes may claim you can flush them, but please don't.** Clogs in the garage ceiling sewer pipes cause flooding—water coming up into toilets and sinks.

Kitchen drains can clog from fat and foods. Never pour grease down the drain. A sieve in your sink can catch tea leaves and anything else so you can dump them in compost.

When it is determined... that a certain unit caused a blockage, the owner may be held responsible for all repair costs.

Toilet, bathroom, kitchen drains...

...all empty into the pipes suspended in our garage ceilings.

Some drains on the 3rd floor drain 19 ft straight down. Some drains on the 3rd floor drain 9 ft straight down, then join 2nd floor drains. Most drains on the second floor join drains on the first floor 9 ft down. Most toilets drain straight to the garage level. Of course, all drains are vented to the roof.

GOOD TO KNOW...BUILDINGS...**Be prepared for and notified of emergencies...**

... Study the National Fire Protection Association flyer here: tinyurl.com/FireEducation Specific to apartment buildings!

The San Mateo County alert system, **SMC ALERT** is an alert notification system used to immediately contact you during urgent or emergency situations. To sign up: hsd.smcsheriff.com/smcalert

Earthquake preparedness information is available at California Earthquake Authority, www.earthquakeauthority.com

In case of a power outage...

... Emergency lights in hallways and stairs turn on; they have a battery life of approximately 4 hours.

... Elevators descend and doors open.

To use the elevator emergency phone, just open door and press button. Staff stands by to take your call 24/7.

... Garage gates open and stay open for the duration of the power outage

Hallway ventilation and heating...

... is designed to provide fresh, outside, nighttime air year round.

Please conserve water...

... we use water for irrigation, our pool, and personal use, and it adds up to substantial expense. Please conserve!

Commons room...

... is a major feature of Menlo Commons. Reservations are available for private use. For much specific information, see the Menlo Commons Operating Rules and more located in this room.

Commons room kitchen...

... is well equipped to support substantial parties in the Commons Room. Reservations are required for private use.

Gym in bldg E...

... hours are from 7:00 am to 10:00 pm, seven days a week. See Menlo Commons Operating Rules located in the Commons Room.

Community pool...

... is available to residents and adult guests from 6 am to 10 pm. Please observe posted rules.

Building and unit drawings...

... scanned from original building blueprints can be made available on request. Some are available already; some require processing. Contact Dag Forssell.

DON'T GET YOURSELF LOCKED OUT

The Manor Association, The Menlo Commons Association's Board, and the Facilities Manager (Val Smith) ...

... Do Not Provide Lockout Services

We strongly urge all residents to establish access to a spare key to gain entry to their unit in the event a lock-out occurs.

If a lock-out occurs during regular business hours, Kwik Key (650) 965-2997 may be able to assist at a cost to you.

To purchase that spare key visit Kwik Key at 1949 West El Camino Real, Mountain View. CA 94040, kwikkeylock.com, 8:30 am–5:00 pm Mon – Fri. Phone: (650) 965-2997

ABOUT THE PHONE BOOK BY BUILDING / UNIT

Which building? Which floor?		
Unit	LAST, First names email address second email address	Phone numbers 650 area code is standard, not shown.

Note1: Where residents have said that a phone number is Home or Cell (and whose cell), this can be good to know and has been added. Any resident can have this info added. It will appear in the next edition.

Note2: Gate codes will no longer be listed in this directory. A single code is not always valid for both front and building gates. Find your codes by scrolling to your name(s) at the front and building gates. Your visitor can enter your respective three digit gate codes. The system will call your phone so you can answer and press 9 to open the gate.

Keeping this directory up-to-date

Residents, please review your listing with care. Do you spot typos or want change phone numbers or your email address? Want to spell out what is a home or cell phone? Want to add a phone number or email address to the person looking after you or your unit? Want to say iPhone instead of Cell, so that friends will know they can call using Apple FaceTime?

I update this directory when I receive orientation data about new owners or renters. I remove residents when they have moved out.

I can provide current pdf and printed directories on request.

Dag Forssell (the phone book guy)
