

File: MC_DroughtNotes.pdf For residents use taking notes, coloring, whatever.
Of six original Menlo Commons plot plan drawings, this is the least cluttered one.
This page is the same as MC_landscape_overview.pdf, page 3, slightly enlarged.
The six plot plan drawings are (1) Plumbing, (47) Electrical, (56) Plumbing phase I,
(63) Landscape construction, (64) Irrigation (this one) and (65) Planting.
The big fat line separates Phase I, Bldgs A & B, from Phase II, Bldgs C, D, & E.

NOTE: NO IRRIGATION @ OAK TREE (DELETE PHASE I SHRUB HEADS)
