

# *03: Privacy*

*Mounds and ridges can shield units from view  
—providing enhanced privacy—  
while allowing residents to look out  
through grasses and bushes.*

## *Bldg C walkway*

*Here, privacy is provided by dense foliage.  
If removed the situation would be the same as Bldg B.*

*Bldg C 1st floor*

*But with mounds and new, beautiful plants, privacy would say the same.*
