ARTICLE II DESCRIPTION OF PROJECT, DIVISION OF PROPERTY, AND CREATION OF PROPERTY RIGHTS

2.1 **Description of Project:** The Project is a condominium project consisting of the land, the one hundred and twenty-two (122) Condominiums and all other improvements thereon.

2.2 **Division of Property:** The Project is divided as follows:

A. **Units:** Each of the Units as separately shown, numbered and designated on the Map and on the Condominium Plan, consists of the space bounded by and contained within the boundaries described on the Map and Condominium Plan, and includes all improvements contained within the space so described, each of such spaces being defined and referred to herein as a "Unit." Balconies are included in the Units. Each Unit includes both the portions of the building so described and the airspace so encompassed. The Unit does not include those areas and those things which are defined as "Common Area" in section 1.7. Each Unit is subject to such encroachments as are contained in the building, whether the same now exist or may

be later caused or created in any manner referred to in section 9.5. In interpreting deeds and Condominium Plans, the then existing physical boundaries of a Unit, when the boundaries of the Unit are contained within a building, or of a Unit reconstructed in substantial accordance with the original plans thereof shall be conclusively presumed to be its boundaries rather than the boundaries expressed in the deed or Condominium Plan, regardless of settling or lateral movement of the building and regardless of minor variance between boundaries shown on the plan or deed, and those of the building. Each Unit shall have appurtenant to it nonexclusive rights for ingress, egress and support through the Common Area subject further to the rights of each Owner in the Restricted Common Area appurtenant to that Owner's Condominium.

B. Common Areas: The remainder of the Project constitutes "Common Area" as defined in section 1.7.

Each Condominium Owner shall have, as appurtenant to his or her Unit, a percentage undivided interest in a portion of the Common Area as provided in Exhibit "A" attached hereto. The Common Interest appurtenant to each Unit is declared to be permanent in character and cannot be altered without the consent of all the Owners affected, as expressed in an amended Declaration. The undivided Common Interest cannot be separated from the Unit, and any conveyance or transfer of the Unit shall include the undivided Common Interest, the Owner's membership in the Association, and any other benefits or burdens appurtenant to that Owner's Condominium. Subject to this Declaration and the Rules, each Owner may have access to and use of the Common Areas in accordance with the purposes for which they are intended without hindering the exercise of or encroaching upon the rights of any other Owners subject to the rights of each Owner in the Restricted Common Area appurtenant to that Owner's Condominium.

C. Restricted Common Areas, Grant of Exclusive Easements: Portions of the Common Area consisting of parking spaces located beneath Condominium Buildings (hereinafter "Garage Parking Spaces"), referred to as "Restricted Common Areas," are set aside and allocated for the exclusive use of the Owners of the Condominiums.

Each Restricted Common Area Garage Parking Space is marked by the unit number of the Unit to which it is assigned.

The exclusive use of at least one (1) Garage Parking Space has been granted by recorded deed to the Owner of each Unit,

Extra Garage Parking Spaces, marked HOA 1-4 in Building C and HOA 5-9 in Building D, may be rented for a fee set by the Board of Directors.

2.3 Rights of Entry and Use: The Units and Common Area (including Restricted Common Area) shall be subject to the following rights of entry and use:

A. The non-exclusive rights of each Owner for ingress, egress and support through the Common Area, and use of the Common Area as provided in sections 2.2A and 2.2B.

B. The right of the Association's agents or employees to enter any Unit to cure any violation of this Declaration or the Bylaws, provided that the Owner has received notice and a hearing as required by the Bylaws (except in the case of an emergency) and the Owner has failed to cure the violation or take steps necessary to cure the violation within thirty (30) days after the finding of a violation by the Association.

C. The access rights of the Association to maintain, repair or replace improvements or property located in the Common Area as described in section 5.2E.

D. The rights of the Owners and the Association to install, maintain, repair or replace utilities as described in Article VI.

E. The encroachment rights described in section 9.5.

F. The rights of Owners to make improvements or alterations authorized by California Civil Code § 1360(a)(2), subject to the provisions of section 7.10.

2.4 Partition Prohibited: The Common Areas shall remain undivided as set forth above. Except as provided by California Civil Code §1359 or authorized under sections 8.2B or 8.3, no Owner shall bring any action for partition of the Common Area, it being agreed that this restriction is necessary in order to preserve the rights of the Owners with respect to the operation and management of the Project. Judicial partition by sale of a single Condominium owned by two (2) or more persons and division of the sale proceeds is not prohibited hereby.

2.5 All Easements Part of Common Plan: Whenever any easements are reserved or created or are to be reserved or created herein, such easements shall constitute equitable servitudes for the mutual benefit of all property in the Project, even if only certain Units are specifically mentioned as subject to or benefiting from a particular easement, and when easements referred to herein are subsequently created by grant deeds, such easements are part of the common plan created by this Declaration for the benefit of all property Owners within the Project.

ARTICLE III ASSOCIATION, ADMINISTRATION, MEMBERSHIP AND VOTING RIGHTS

3.1 Association to Manage Common Areas: The management of the Common Area shall be vested in the Association in accordance with its Bylaws. The Owners of all the Condominiums covenant and agree that the administration of the Project shall be in accordance with the provisions of this Declaration, and the Articles and Bylaws.

3.2 Membership: The Owner of a Condominium shall automatically, upon becoming the Owner of same, be a Member of the Association, and shall remain a Member thereof until such time as the ownership ceases for any reason, at which time the membership in the Association shall automatically cease. Membership shall be held in accordance with the Articles and Bylaws.

3.3 Transferred Membership: Membership in the Association shall not be transferred, encumbered, pledged, or alienated in any way, except upon the sale or encumbrance of the Condominium to which it is appurtenant, and then only to the purchaser, in the case of a sale, or Mortgagee, in the case of an encumbrance of such Condominium. On any transfer of title to an Owner's Condominium, including a transfer on the death of an Owner, the membership passes automatically along with title to the transferee. A Mortgagee does not have membership rights until it obtains title to the Condominium by Foreclosure or deed in lieu thereof. Any attempt to make a prohibited transfer is void. No Member may resign his or her membership. On notice of a transfer, the Association shall record the transfer on its books.

3.4 Membership and Voting Rights: Membership and voting rights shall be as provided in the Bylaws.

**ARTICLE IV
MAINTENANCE AND ASSESSMENTS**

4.1 Creation of the Lien and Personal Obligation of Assessments: Each Owner of each Condominium within the Project, hereby covenants, and each Owner of any Condominium by acceptance of a deed for that Condominium, whether or not it shall be so expressed in such deed, covenants and agrees:

(1) to pay Regular Assessments, Special Assessments and Reimbursement Charges to the Association as established in this Declaration; and

(2) to allow the Association to enforce any Assessment Lien established under this Declaration by nonjudicial proceedings under a power of sale or by any other means authorized by law.

The Regular and Special Assessments, including Reimbursement Charges, together with interest, late charges, collection costs and reasonable attorneys' fees, shall be a charge on the Condominium and shall be a continuing Assessment Lien upon the Condominium against which each such Assessment is made, the lien to become effective upon recordation of a Notice of Delinquent Assessment. Each Assessment, together with interest, late charges, collection costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Condominium at the time when the Assessment fell due. The personal obligation for delinquent Assessments shall not pass to his or her successors in title unless expressly assumed by them. No Owner shall be exempt from liability for payment of Assessments by waiver of the use or enjoyment of any of the Common Areas or by the abandonment of the Owner's Condominium.

The interest of any Owner in the amounts paid pursuant to any Assessment upon the transfer of ownership shall pass to the new Owner. Upon the termination of these covenants for any reason, any amounts remaining from the collection of such Assessments after paying all amounts properly charged against such Assessments shall be distributed to the then Owners on the same pro rata basis on which the Assessments were collected.

4.2 Purpose of Assessments: The Assessments levied by the Association shall be used exclusively to promote the economic interests, recreation, health, safety, and welfare of all the Owners and other residents in the Project and to enable the Association to perform its obligations hereunder.

4.3 Assessments:

A. Regular Assessments: The Board shall establish and levy Regular Assessments in an amount that the Board estimates will be sufficient to raise the funds needed to perform the duties of the Association during each fiscal year.

The Regular Assessment shall include a portion for reserves in such amounts as the Board in its discretion considers appropriate to meet the costs of the future repair, replacement or additions to the major improvements and fixtures that the Association is obligated to maintain and repair. Reserve funds shall be deposited in a separate account and the signatures of at least two (2) persons who shall either be members of the Board or one officer who is not a member of the Board and a member of the Board shall be required to withdraw monies from the reserve account.

B. Special Assessments: The Board, at any time, may levy a Special Assessment in order to raise funds for unexpected operating or other costs, insufficient operating or reserve funds, or such other purposes as the Board in its discretion considers appropriate. Special Assessments shall be allocated among the Units in the same manner as Regular Assessments.

4.4 Restrictions on Increases in Regular Assessments or Special Assessments:

A. Except as provided in section 4.4B, without having first obtained the approval of such action by the vote or written assent of Members casting a majority of the votes at a meeting of the Association at which a quorum is present, the Board may not: (1) impose a Regular Assessment on any Condominium which is more than twenty percent (20%) greater than the Regular Assessment for the immediately preceding fiscal year or (2) levy a Special Assessment to defray the cost of any action or undertaking on behalf of the Association which in the aggregate exceeds five percent (5%) of the budgeted gross expenses of the Association for that fiscal year. For purposes of this section 4.4, a "quorum" means Members constituting more than fifty percent (50%) of the voting power of the Association. Any meeting of the Association for purposes of complying with this section 4.4 shall be conducted in accordance with Chapter 5 (commencing with § 7510) of Part 3, Division 2 of Title 1 of the California Corporations Code and § 7613 of the California Corporations Code. The right of the Board to increase Regular Assessments by up to twenty percent (20%) over the Regular Assessment for the immediately preceding fiscal year is subject to the Board having complied with the provisions of California Civil Code § 1365(a), which provisions are set forth in section 12.1(1) of the Bylaws or having obtained the approval of such increase by the Members in the manner set forth above in this section 4.4.

B. Assessments - Emergency Situations. Notwithstanding the foregoing, the Board, without membership approval, may increase Regular Assessments or levy Special Assessments necessary for an emergency situation in amounts that exceed the provisions of section 4.4A, above. For purposes of this section, an emergency situation is one of the following:

- (1) an extraordinary expense required by an order of a court,
- (2) an extraordinary expense necessary to repair or maintain the Project or any part of it for which the Association is responsible where a threat to personal safety on the Project is discovered, or
- (3) an extraordinary expense necessary to repair or maintain the Project or any part of it for which the Association is responsible that could not have been reasonably foreseen by the Board in preparing and distributing the pro forma operating budget, provided, however, that prior to the imposition or collection of the Assessment, the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process and the resolution shall be distributed to the Members with the notice of the Assessment.

The Association shall provide to the Owners by first-class mail notice of any increase in the Regular Assessments or Special Assessments of the Association, not less than thirty (30) nor more than sixty (60) days prior to the increased Assessment becoming due.

This section 4.4 incorporates the statutory requirements of California Civil Code § 1366. If this section of the California Civil Code is amended in any manner, this section 4.4 shall be automatically amended in the same manner without the necessity of amending this Declaration.

C. Notice and Quorum for Any Action Authorized Under Section 4.4: Any action authorized under section 4.4, which requires a vote of the membership, shall be taken at a meeting called for that purpose, written notice of which shall be personally delivered or mailed to all Members not less than ten (10) nor more than ninety (90) days in advance of the meeting specifying the place, day and hour of the meeting and, in the case of a special meeting, the nature of the business to be undertaken. The action may also be taken without a meeting pursuant to the provisions of California Corporations Code §7513.

4.5 Division of Assessments: Both Regular Assessments and Special Assessments shall be levied among the Condominiums as provided in Exhibit "A" attached hereto. Regular Assessments shall be collected on a monthly basis unless the Board directs otherwise. Special Assessments may be collected in one (1) payment or periodically as the Board shall direct.

4.6 Annual Assessment; Due Dates: The Board of Directors shall use its best efforts to fix the amount of the Regular Assessment against each Condominium and send written notice thereof to every Owner at least forty-five (45) days in advance of each Regular Assessment period, provided that failure to comply with the foregoing shall not affect the validity of any Assessment levied by the Board. Regular Assessments may be prorated on a monthly basis. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or designated representative of the Association stating that the Assessments on a specified Condominium have been paid. Such a certificate shall be conclusive evidence of such payment.

4.7 Effect of Nonpayment of Assessments: Any Assessment not paid within fifteen (15) days after the due date shall be delinquent, shall bear interest at the rate of twelve percent (12%) per annum commencing thirty (30) days after the due date until paid, and shall incur a late payment penalty in an amount to be set by the Board from time to time, not to exceed the maximum permitted by applicable law.

4.8 Transfer of Condominium by Sale or Foreclosure: Sale or transfer of any Condominium shall not affect the Assessment Lien. However, the sale of any Condominium pursuant to Foreclosure of a First Mortgage shall extinguish the Assessment Lien of any Assessments on that Condominium (including attorneys' fees, late charges, or interest levied in connection therewith) as to payments which became due prior to such sale or transfer (except for Assessment Liens as to which a Notice of Delinquent Assessments has been recorded prior to the Mortgage). No amendment of the preceding sentence may be made without the consent of Owners of Condominiums to which at least sixty-seven percent (67%) of the votes in the Association are allocated, and the consent of the Eligible Mortgage Holders holding First Mortgages on Condominiums comprising fifty-one percent (51%) of the Condominiums subject to First Mortgages. No sale or transfer shall relieve such Condominium from liability for any Assessments thereafter becoming due or from the lien thereof.

The unpaid share of such Assessments shall be deemed to be Common Expenses collectible from all of the Condominium Owners including such acquirer, his or her successors or assigns.

The Association shall have the right to inspect the interior of a Unit that has been, or is about to be, conveyed to check the condition of drain lines, fans, HVAC equipment and to make or require the Owner(s) to make repairs to or replace defective equipment, at the expense of the Owner(s) with respect to appliances and equipment.

If a Condominium is transferred, the grantor shall remain liable to the Association for all unpaid Assessments against the Condominium through and including the date of the transfer. The grantee shall be entitled to a statement from the Association, dated as of the date of transfer, setting forth the amount of the unpaid Assessments against the Condominium to be transferred and the Condominium shall not be subject to a lien for unpaid Assessments in excess of the amount set forth in the statement, provided, however, the grantee shall be liable for any Assessments that become due after the date of the transfer.

4.9 Priorities; Enforcement; Remedies: If an Owner fails to pay an Assessment when due, the Association has the right, and option, to bring legal action against the Owner to

enforce collection of the unpaid and past due Assessment, or may impose an Assessment Lien on the Unit owned by Owner pursuant to the provisions of Civil Code §§ 1367 and 1367.1. Suit to recover a money judgment for unpaid Assessments and attorneys' fees, shall be maintainable without foreclosing or waiving the lien securing the same. The Association shall distribute the written notice described in subdivision (b) of Civil Code § 1365.1 entitled "Notice Assessments and Foreclosure" to each Member during the 60-day period immediately preceding the beginning of the Association's fiscal year. The notice is to be printed in at least 12-point type.

A. Statement of Charges. At least 30 days prior to the Association recording an Assessment Lien upon a Unit pursuant to Civil Code § 1367.1(a), the Association shall notify the owner of record in writing by certified mail of the following:

(1) A general description of the collection and lien enforcement procedures of the Association and the method of calculation of the amount owed, a statement that the Owner has the right to inspect the Association's records, pursuant to section 8333 of the Corporations Code, and the following statement in 14-point boldface type, if printed, or in capital letters, if typed: "IMPORTANT NOTICE: IF YOUR SEPARATE INTEREST IS PLACED IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR ASSESSMENTS, IT MAY BE SOLD WITHOUT COURT ACTION".

(2) An itemized statement of the charges owed by the Owner, including items on the statement which indicate the amount of any delinquent assessments, the fees and reasonable costs of collection, reasonable attorney's fees (not to exceed \$425.00 per Civ. Code § 1366.3(a)), any late charges, and interest, if any.

(3) A statement that the Owner shall not be liable to pay the charges, interest, and costs of collection, if it is determined the Assessment was paid on time to the Association.

(4) The right to request a meeting with the Board as provided by Civil Code §1371.1(c).

Note: Any payments made by the Owner toward the debt shall first be applied to the Assessments owed, and, only after the Assessments owed are paid in full shall the payments be applied to the fees and costs of collection, attorneys' fees, late charges, or interest. When an Owner makes a payment, the owner may request a receipt and the Association shall provide it. The receipt shall indicate the date of payment and the person who received it. The Association shall provide a mailing address for overnight payment of Assessments.

B. Right to Request Meeting. An Owner may dispute the debt noticed pursuant to section 4.9A, above, submitting to the Board a written explanation of the reasons for his or her dispute. The Board shall respond in writing to the Owner within 15 days of the date of the postmark of the explanation, if the explanation is mailed within 15 days of the postmark of the notice. The Owner may submit a written request to meet with the Board to discuss a payment plan for the debt noticed pursuant to section 4.9A, above. The Board shall provide the Owner the standards for payment plans, if any exist. The Board shall meet with the Owner in executive session within 45 days of the postmark of the request, if the request is mailed within 15 days of the date of the postmark of the notice, unless there is no regularly scheduled Board meeting within that period, in which case the Board may designate a committee of one or more members to meet with the Owner.

C. Notice of Delinquent Assessment. After compliance with the provisions of Civil Code § 1367.1(a), the Association may record a Notice of Delinquent Assessment and establish an Assessment Lien against the Condominium of the delinquent Owner prior and superior to all other liens recorded subsequent to the Notice of Delinquent Assessment, except

(1) all taxes, bonds, assessments and other levies which, by law, would be superior thereto, and (2) the lien or charge of any First Mortgage of record recorded prior to the Notice of Delinquent Assessment. The Notice of Delinquent Assessment shall state the amount of the Assessment, collection costs, attorneys' fees, late charges and interest, a description of the Condominium against which the Assessment and other sums are levied, the name of the record Owner, and the name and address of the trustee authorized by the Association to enforce the lien by sale. The notice shall be signed by any officer of the Association or any management agent retained by the Association and shall be mailed in the manner set forth in Civil Code § 2924b to all record owners of the Unit no later than ten (10) days after recordation.

Within twenty-one (21) days after payment of the sums specified in the Notice of Delinquent Assessment, the Association shall record or cause to be recorded in the Office of the County Recorder in which the Notice of Delinquent Assessment is recorded a lien release or notice of rescission and provide the Owner a copy of the lien release or notice that the delinquent assessment has been satisfied.

D. Enforcement of Assessment Lien. Thirty (30) days following the recordation of the Notice of Delinquent Assessment, the Assessment Lien may be enforced in any manner permitted by law, including sale by the court, sale by the trustee designated in the Notice of Delinquent Assessment, or sale by a trustee substituted pursuant to California Civil Code § 2934(a). Any sale by the trustee shall be conducted in accordance with the provisions of §§ 2924, 2924b, 2924c, 2924f, 2924g, 2924h and 2924j of the California Civil Code applicable to the exercise of powers of sale in Mortgages and deeds of trust, including any successor statutes thereto, or in any other manner permitted by law. The fees of a trustee may not exceed the amounts prescribed in Civil Code §§ 2924c and 2924d. Nothing in this Declaration shall preclude the Association from bringing an action directly against an Owner for breach of the personal obligation to pay Assessments.

The Association, acting on behalf of the Condominium Owners, shall have the power to bid for the Condominium at Foreclosure sale, and to acquire and hold, lease, Mortgage and convey the Condominium. If the purchase of a Condominium would result in a five percent (5%) or greater increase in Assessments, the purchase shall require the vote or written consent of a majority of the total voting power of the Association, including a majority of Members other than Declarant. During the period a Condominium is owned by the Association, following Foreclosure:

- (1) no right to vote shall be exercised on behalf of the Condominium;
- (2) no Assessment shall be assessed or levied on the Condominium; and
- (3) each other Condominium shall be charged, in addition to its usual Assessment, its share of the Assessment that would have been charged to such Condominium had it not been acquired by the Association as a result of Foreclosure.

After acquiring title to the Condominium at Foreclosure sale following notice and publication, the Association may execute, acknowledge and record a deed conveying title to the Condominium which deed shall be binding upon the Owners, successors, and all other parties.

The Board may temporarily suspend the voting rights of a Member who is in default in payment of any Assessment, after notice and hearing, as provided in the Bylaws.

In conformity to Civil Code §1367(c), fines and penalties imposed by the Association for violation of this Declaration as a disciplinary measure for failure of an Owner to comply with this Declaration or the Rules, except for late payments, are not "Assessments," and are not enforceable by Assessment Lien, but are enforceable by court proceedings; provided, however, pursuant to Civil Code § 1367(b), monetary penalties imposed by the Association to reimburse the Association for

costs incurred for repair of damage to Common Area or facilities for which the Owner, or guests or tenants of an Owner, were responsible may become the subject of a lien. In the event that Civil Code §1367(c) is amended to permit fines and penalties imposed by the Association for violation of this Declaration as a disciplinary measure for failure of an Owner to comply with this Declaration or the Rules to be enforceable by Assessment Lien, then this provision shall be deemed amended to conform to any such amendment of Civil Code §1367(c).

4.10 Unallocated Taxes: In the event that any taxes are assessed against the Common Area, or the personal property of the Association, rather than against the Condominiums, said taxes shall be included in the Assessments made under the provisions of section 4.1 and, if necessary, a Special Assessment may be levied against the Condominiums in an amount equal to said taxes, to be paid in two (2) installments, thirty (30) days prior to the due date of each tax installment.

The Association shall maintain the Units, including, without limitation, the structure surrounding all units, bearing walls, roofing, carport structures, ground-level patios; fencing, balconies, planter boxes and railings thereon, sidewalks, pathways and railings, mailboxes and mailbox structures, exterior lighting; exterior irrigation systems; window glass and exterior doors (including glass therein), columns, girders, subfloors; roofs, skylights, rain gutters and downspouts; foundations; storage buildings, conduits, ductwork, pipes, plumbing, wires and other utility installations required to provide or transport power, light, telephone, television and Internet cable service, gas, water, sewage and drainage; fire extinguishers; easement or grants for passage; repair or maintenance; and all exterior sewer, water or other utilities serving the property. The allocation of responsibility for maintenance of certain specific items is as provided in Exhibit "B" attached hereto.

(1) Maintenance shall include, without limitation, painting, maintaining, cleaning, repairing and replacing of all such areas.

(2) The responsibility of the Association for maintenance and repair shall not extend to repairs or replacements arising out of or caused by the willful or negligent act or omission of an Owner, or his or her guests, tenants or invitees or the Owner's pets, except if the repair is covered by the insurance carried by the Association, the Association shall be responsible for making the repairs, and the responsible Owner shall pay any deductible pursuant to the insurance policy. If the Owner fails to make such payment, then the Association may make such payment and shall charge the responsible Owner a Reimbursement Charge for reimbursement of such payment, which charge shall bear interest at the rate of twelve percent (12%) per annum (but no greater than the maximum rate allowed by law) until paid in full. Any repairs arising out of or caused by the willful or negligent act of an Owner, or his or her guests, tenants or invitees, or the Owner's pets, the cost of which is not covered by insurance carried by the Association, shall be made by the responsible Owner, provided the Board approves the person actually making the repairs and the method of repair. If the responsible Owner fails to take the necessary steps to make the repairs within a reasonable time under the circumstances, the Association shall make the repairs

and charge the cost thereof as a Reimbursement Charge to the responsible Owner, which cost shall bear interest at the rate of twelve percent (12%) per annum (but no greater than the maximum rate authorized by law) until paid in full. If an Owner disputes his or her responsibility for the repairs, the Owner shall be entitled to notice and a hearing as provided in the Bylaws before any charge may be imposed.

(3) The Association shall have the Common Area periodically inspected for wood-destroying pests and organisms and shall take appropriate corrective measures therefor. The Association shall have the authority to require the temporary removal of occupants of a Unit as may be necessary in connection with the treatment of wood-destroying pests or organisms, pursuant to the procedures described in Civil Code § 1364(d) or any successor statute thereto. The costs of any temporary relocation shall be borne by each Owner of a Unit who is required to temporarily relocate.

(4) Landscaping maintenance shall include regular fertilization, irrigation, pruning, and other prudent garden management practice necessary to promote a healthy weed-free environment for optimum plant growth. The Association shall remove and replace all dying or dead vegetation. The Association shall take appropriate steps to maintain the irrigation of the landscaping and to prevent damage resulting from misdirected and/or excessive watering.

(5) In order to reduce the presence of mold, fungi, spores, pollens and other botanical substances, or other allergens (collectively "Mold"), within the dwellings and Common Area, the Association shall inspect the exterior of the dwellings and the Common Area improvements not less frequently than once each year to check for water leaks or other breaches of the watertight integrity of the improvements, and for the presence of Mold. If any water leaks and/or Mold are detected, the Board shall immediately make recommendations for appropriate corrective steps to repair the leak, and/or remove the Mold and to maintain proper ventilation within enclosed areas, and to maintain humidity levels to reduce the risk of Mold growth. The Board shall decide in its best judgment whether to take corrective action, or, depending upon the estimated cost, refer the matter to the Members for a vote. The Board shall periodically inspect the irrigation system to ensure proper watering, and to correct any leaks and/or misdirected or excessive watering, and periodically inspect the ground surface around the foundations to ensure that no water is pooling around or within the foundations, and shall maintain rain gutters in a clean and proper operating condition at all times, and take such other prudent steps as may be appropriate to prevent Mold growth, or eliminate any existing Mold.

(6) Each Owner and occupant shall fully cooperate with the agents of the Association in the performance of the Association's maintenance and repair obligations described above. Such cooperation shall include, but is not limited to, immediate notification to the Board or its managing agent of any maintenance or repair problems for which the Association is responsible and access to the Owner or occupant's dwelling and Restricted Common Area as may be necessary to inspect and, if appropriate, to perform any necessary maintenance or repairs.

(7) In the event of any water leak or overflow from any Unit that damages any Common Area or other Unit, the Owner and occupants of the Unit that is the source of the water leak or overflow (the "Responsible Owner") shall cooperate with the Association in the inspection and correction of the problem. Cooperation shall include access to the dwelling to inspect and to correct the problem and/or repair any damage. The Responsible Owner shall reimburse the Association for its repair cost to the extent the cost is not paid through insurance maintained by the Association (provided that the Board shall have complete discretion as to the filing of claims with the Association's insurer), and the Association may levy a reimbursement assessment to recover the cost. If the damage may be covered by insurance maintained by the Association, the Association shall submit an appropriate claim. Any deductible amount shall be paid by the Responsible Owner.

B. Inspection and Maintenance Guidelines:

(1) The Board shall adopt inspection and maintenance guidelines for the periodic inspection and maintenance of the Common Area improvements and landscaping, including, but not limited to, foundations, gutters, down-spouts, siding, trim, roofs, balconies, window caulking, utility equipment and sanitary sewer and storm drainage facilities maintained by the Association, streets, parking areas, recreational facilities, and the irrigation system. The Board periodically and at least once every three years shall review and update the inspection and maintenance guidelines. The Board shall take all appropriate steps to implement and comply with the inspection and maintenance guidelines.

The reports shall address any noted deterioration which may require future attention. The reports may also recommend supplemental specialized investigations (i.e., elevator, termite, pool, mechanical, arborist, geologist, structural, etc).

The Association shall also, as a separate and distinct responsibility, take reasonable action to require that third parties (including Owners and their guests) utilize the Common Area in

accordance with the aforementioned laws. The Association shall, when it becomes aware of any violation of the aforementioned laws, take reasonable action to expeditiously correct such violations.

5.2 Powers: In addition to the powers enumerated in the Articles and Bylaws, or elsewhere provided for herein, and without limiting the generality thereof, the Association shall have the following powers:

The Rules shall include, without limitation, the procedures to be followed by the Board and the Owners in complying with the limitations on occupancy, transfer, and rental of Units. Written copies of such Rules and any schedule of fines and penalties adopted by the Board shall be furnished to Owners, and shall be posted in a conspicuous place within the Common Area. The Rules shall be enforceable to the same extent as provisions of the Declaration and Bylaws.

Such entry shall be made with as little inconvenience to the Owner as practicable and any damage caused by such entry shall be repaired by the Board at the expense of the Association.

F. Assessments and Liens: The Board shall have the power to levy and collect Assessments in accordance with the provisions of Article IV hereof.

The Board may extend that period for an additional thirty (30) day period or periods in the case of a continuing infraction or violation, and no hearing need be held for such extension. Written copies of Rules and the schedule of penalties shall be furnished to Owners. The Board shall levy fines and penalties and shall enforce such assessments as appropriate under applicable law.

B. Whenever Utility Facilities serving more than one (1) Condominium are installed within the Project, the Owner of each Condominium served by those Utility Facilities shall be entitled to the full use and enjoyment of such portions of those Utility Facilities as service his or her Condominium.

C. In the event of a dispute between Owners with respect to the repair or rebuilding of Utility Facilities, or with respect to the sharing of the cost of those facilities, then, upon written request of one (1) Owner addressed to the other Owner(s), the matter shall be submitted first to the Board for mediation, and thereafter, if the dispute remains unresolved, to binding arbitration within sixty (60) days pursuant to the rules of the American Arbitration Association, or any successor rules, or to any other generally recognized system of alternative dispute resolution. The decision of the arbitrator(s) shall be final and conclusive on the parties, and judgment on the decision may be entered in any court having jurisdiction.

6.2 Easements for Utilities and Maintenance: Easements over, under and through the Project (including soffits and utility chases within Units, if any) for the installation, repair, and maintenance of electric, telephone, water, gas, and sanitary sewer lines and facilities, heating or air conditioning facilities, cable or master television antenna lines, drainage facilities, walkways, and landscaping as shown on the Map, and as may be hereafter required or needed to service the Project, exist in favor of the Association for the benefit of its Members.

6.3 Association's Duties: The Association shall maintain all Utility Facilities located in the Common Area except for those facilities maintained by utility companies, public, private, or municipal and those maintained by the Owners as described in section 7.22. The Association shall pay all charges for utilities supplied to the Project except those metered or charged separately to the Condominiums.

ARTICLE VII USE RESTRICTIONS

In addition to all of the covenants contained herein, the use of the Project and each Condominium therein is subject to the following:

7.1 Senior Citizen Housing Development: All Units and buildings in the Project have been constructed as a "Senior Citizen Housing Development" as defined by California Civil Code section 51.3. All residents in the Project must be a "Qualifying Resident", meaning a person 55 years of age or older as specified in section 51.3(b)(1) of the California Civil Code or a "Qualified Permanent Resident" meaning a person who meets the requirements specified in sections 51.3(b)(2) or 51.3(b)(3) of the California Civil Code, or a "permitted health care resident" as specified in section 51.3(b)(7) of the California Civil Code. Temporary residency of a guest of a qualified permanent resident shall be permitted by a person less than 55 years of age for a period of time not more than 60 days in any year. A copy of Civil Code section 51.3 is attached hereto as Exhibit "C".

7.2 Condominium Use: No Condominium shall be occupied and used except for residential purposes by the Owners, their tenants, and social guests, and no trade or business shall be conducted therein, provided, however, that a Condominium may be used as a combined residence and executive or professional office by the Owner or occupant thereof, so long as such use does not interfere with the quiet enjoyment by other Condominium Owners of their Condominiums and does not include visiting clients. No tent, shack, trailer, garage, outbuilding or structure of a temporary character shall be used at any time as a residence, either temporarily or permanently.

Residents shall be limited as follows: No more than two (2) persons per bedroom in any Condominium shall be permitted as permanent residents. (A "permanent resident" means any

person residing in a Condominium more than sixty (60) days out of any twelve (12) consecutive month period.)

No health care facilities operating as a business or charity and serving the sick, elderly, disabled, handicapped or retarded shall be permitted in the Project.

No Condominium or any portion thereof in the Project shall be leased, subleased, occupied, rented, let, sublet, or used for or in connection with any time sharing agreement, plan, program or arrangement, including, without limitation, any so called "vacation license," "travel club," extended vacation," or other membership or time interval ownership arrangement. The term "time sharing" as used herein shall be deemed to include, but shall not be limited to, any agreement, plan, program, or arrangement under which the right to use, occupy or possess the Condominium or Condominiums, or any portion thereof in the Project rotates among various persons, either corporate, partnership, individual, or otherwise, on a periodically recurring basis for value exchanged, whether monetary or like kind use privileges, according to a fixed or floating interval or period of time of twenty-five (25) consecutive calendar days or less. Provided, this section shall not be construed to limit the personal use of any Unit or any portion thereof in the Project by any Unit Owner or his or her or its social or familial guests.

No yard sales are permitted, except for the option of one sale per calendar year, which date shall be designated by the Board, and in which all Owners shall have the opportunity to participate.

7.3 Nuisances: No noxious, illegal, or seriously offensive activities shall be carried on in any Condominium, or in any part of the Project, nor shall anything be done thereon which may be or may become a serious annoyance or a nuisance to or which may in any way interfere with the quiet enjoyment of each of the Owners' Condominiums or which shall in any way increase the rate of insurance for the Project, or cause any insurance policy to be cancelled or to cause a refusal to renew the same, or which will impair the structural integrity of any building.

7.4 Permitted Vehicles and Parking: Except as otherwise permitted in this section 7.3, only Permitted Vehicles shall be parked, stored or operated within the Project.

A. Permitted Vehicles shall mean appropriately licensed passenger automobiles, sports utility vehicles, motorcycles, and trucks having carrying capacity of 3/4 ton or less, vans having seating capacity of eight (8) persons or less. Owners and their tenants and invitees shall park their Permitted Vehicles only in the Garage Parking Spaces or designated surface parking spaces. Vehicles that are not Permitted Vehicles shall not be parked or stored in the Project. Except for commercial vehicles or construction equipment that are providing services to a Unit or the Association (but only during the period of time in which such services are being provided and subject to the Rules), Permitted Vehicles shall not include any commercial vehicle, construction equipment, trailer, camper, mobile home, recreational vehicle, truck having carrying capacity of greater than 3/4 ton, van having seating capacity in excess of eight (8) persons or any vehicle which is too large to fit within the Owner's garage, or covered carport, inoperable vehicles, boats or similar equipment. Vehicles that are otherwise Permitted Vehicles that are used both for business and personal use are not prohibited, provided that any signs or markings of a commercial nature on such vehicles shall be unobtrusive and inoffensive as determined by the Board. No excessively noisy or smoky vehicles shall be operated on the Project. No Owner or other occupant of any Unit shall park more than two (2) Permitted Vehicles within the Project at any one time.

B. No parking shall be permitted within the Common Area of the Project, except in designated parking spaces. All guest parking areas shall be used in accordance with the Rules of the Association.

C. The Association may install a sign at each vehicular entrance to the Project containing a statement that public parking is prohibited and that all vehicles not authorized to park on the Project will be removed at the owner's expense. The sign shall contain the telephone number of the local traffic law enforcement agency and shall not be less than 17 x 22 inches in size with lettering not less than one (1) inch in height.

D. The Association may cause the removal of any vehicle wrongfully parked on the Project, including a vehicle owned by an occupant of a Unit. If the identity of the registered owner of the vehicle is known or readily ascertainable, the President of the Association or his or her designee shall, within a reasonable time thereafter, notify the owner of the removal in writing by personal delivery or first-class mail. In addition, notice of the removal shall be given to the local traffic law enforcement agency immediately after the vehicle has been removed. The notice shall include a description of the vehicle, the license plate number and the address from where the vehicle was removed. If the identity of the owner is not known or readily ascertainable and the vehicle has not been returned to the owner within one hundred twenty (120) hours after its removal, the Association immediately shall send or cause to be sent a written report of the removal by mail to the California Department of Justice in Sacramento, California and shall file a copy of the notice with the proprietor of the public garage in which the vehicle is stored. The report shall be made on a form furnished by the Department of Justice and shall include a complete description of the vehicle, the date, time and place from which the vehicle was removed, the amount of mileage on the vehicle at the time of removal, the grounds for removal and the name of the garage or place where the vehicle is stored. Notwithstanding the foregoing, the Association may cause the removal, without notice, of any vehicle parked in a marked fire lane, within fifteen (15) feet of a fire hydrant, in a parking space designated for handicapped without proper authority or in a manner which interferes with any entrance to, or exit from, the Project or any Condominium, parking space or garage located thereon. The Association shall not be liable for any damages incurred by the vehicle owner because of the removal in compliance with this section or for any damage to the vehicle caused by the removal, unless such damage resulted from the intentional or negligent act of the Association or any person causing the removal of or removing the vehicle. If requested by the owner of the vehicle, the Association shall state the grounds for the removal of the vehicle.

E. Garage Parking Spaces shall not be converted into any use (such as a recreational room or storage room) that would prevent their use as parking space for the number of vehicles the space was designed to contain.

The provisions of this section 7.3 are intended to comply with Vehicle Code section 22658.2 in effect as of January 1, 2003. If this Vehicle Code section is amended, this provision automatically shall be amended in the same manner. If this section is repealed and no successor section is enacted, this provision shall remain in full force and effect. Vehicle Code section 22658.2 may have been amended by the State Legislature since this Declaration was recorded, and the Board should confirm the current statutory requirements.

7.5 Signs: Subject to Civil Code §§ 712, 713 and 1353.6, no signs shall be displayed to the public view on any Unit or on any other portion of the Project, except non-commercial signs may be displayed within a Unit that are approved by the Board or a committee appointed by the Board, that conform to the Rules regarding signs, and that conform to the requirements of State law, and applicable local ordinances. "For Sale" or "For Rent" signs shall be allowed to be displayed within areas of the Project that are designated in the Rules regarding such signs, and that conform to the requirements of State law, and applicable local ordinances, provided the design, dimensions and locations are reasonable. An Owner or his or her agent may display one (1) such For Sale or For Rent sign within his or her Unit and one sign in the Common Area advertising directions to the Owner's Unit which is for sale, rent, provided the design, dimensions (maximum 24 in. by 24 in.) and locations are reasonable and comply with the Rules regarding signs, and comply with the requirements of State law, and applicable local ordinances. These restrictions on display of signs

apply to signs that are visible from the exterior of a Unit, and are not intended to restrict signs that may be seen only from within the Unit in which the sign(s) is displayed.

7.6 Animals: Except as provided in this Declaration and permitted by the Rules, no animals of any kind shall be raised, bred, or kept in any Condominium, or on any other portion of the Project. Trained dogs used for assistance by visually impaired, hearing impaired or physically handicapped persons may be kept by an occupant or invitee of an Owner. Owners, their tenants or other occupants of Units may keep no more than two (2) usual and ordinary household pets such as a dog or cat, provided they are not kept, bred, or maintained for any commercial purposes. All pets shall be kept under reasonable control at all times. No pet shall be allowed in the Common Area except as may be permitted by Rules of the Board. No Owner shall allow his or her dog to enter the Common Area except on a leash. After making a reasonable attempt to notify the Owner, the Association or any Owner may cause any pet found within the Common Area in violation of the Rules of the Board or this Declaration to be removed by the Association (or any Owner) to a pound or animal shelter under the jurisdiction of the City of Menlo Park or County of San Mateo, by calling the appropriate authorities, whereupon the Owner may, upon payment of all expenses connected therewith, repossess the pet. Owners shall prevent their pet from soiling all portions of the Common Area and shall promptly clean up any mess left by their pets or their tenants. Owners shall be fully responsible for any damage caused by their pet. The Board, after notice and a hearing, may require the permanent removal of any animal that the Board determines to be a danger to the health and safety of any occupant in the Project, or otherwise to be a nuisance within the Project. The Board may find that an animal is a nuisance if the animal or its owner continue to violate the Rules regulating pets after receipt by the Owner of a written demand from the Board to comply with the Rules.

7.7 Garbage and Refuse Disposal: All rubbish, trash and garbage shall be regularly removed from the Project, and shall not be allowed to accumulate thereon. Trash, garbage and other waste shall only be kept in sanitary containers. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. All equipment, garbage cans or recycling containers, woodpiles, or storage piles shall be kept screened and concealed from view of other Condominiums, streets and Common Areas, except when placed out for pick up on the designated garbage pick up day. The Association shall be responsible for removal of garbage from the central pick-up point(s). No toxic or hazardous materials shall be disposed of within the Project by dumping in the garbage containers or down the drains, or otherwise.

7.8 Radio and Television Antennas: No outside television antenna, microwave or satellite dish, aerial, or other such device (collectively "Antennas") with a diameter or diagonal measurement in excess of twenty-four inches (24") shall be erected, constructed or attached to any Common Area. Antennas with a diameter or diagonal measurement of twenty-four inches (24") or less may be installed only if they conform to the Rules. Reasonable restrictions which do not significantly increase the cost of the Antenna system or significantly decrease its efficiency or performance may be imposed. Antennas may not be attached to the exterior surface of any building or to any fence. The Board shall, in acting upon requests for approval of a satellite dish or other signal reception or transmission devices comply with California Civil Code §1376 and FCC [Federal Communications Commission] regulations.

7.9 Right to Lease; Limitations on Leasing:

A. Any Owner who wishes to lease his or her Condominium must meet each and every one of the following requirements, and the lease will be subject to these requirements whether they are included within the lease or not:

- (1) all leases must be in writing;

(2) the lease must be for the entire Unit and, not merely parts thereof, unless the Owner remains in occupancy;

(3) no lease shall be for a period of less than one (1) year;

(4) all leases shall be subject in all respects to provisions of the Declaration, the Bylaws, and all Rules adopted by the Board;

(5) all Owners who lease their Condominiums shall promptly notify the secretary of the Association in writing of the names of all tenants [and members of tenants' family] occupying such Condominiums and shall provide the Board with a complete copy of the lease; all Owners leasing their Condominium shall promptly notify the Board of the address and telephone number where such Owner can be reached;

B. Any failure of a tenant to comply with the Declaration, Bylaws, and Association Rules, shall be a default under the lease, regardless of whether the lease so provides. In the event of any such default, the Owner immediately shall take all actions to cure the default including, if necessary, eviction of the tenant;

C. If any tenant is in violation of the provisions of the Declaration, Bylaws, or Rules of the Association, the Association, may bring an action in its own name and/or in the name of the Owner to have the tenant evicted and/or to recover damages. If the court finds that the tenant is violating, or has violated any of the provisions of the Declaration, the Bylaws of the Association, or the Rules of the Association, the court may find the tenant guilty of unlawful detainer notwithstanding the fact that the Owner is not the plaintiff in the action and/or the tenant is not otherwise in violation of tenant's lease. For purposes of granting an unlawful detainer against the tenant, the court may assume that the Owner or person in whose name a contract (the lease or rental agreement) was made was acting for the benefit of the Association. The remedy provided by this subsection is not exclusive and is in addition to any other remedy or remedies which the Association has. If permitted by present or future law, the Association may recover all its costs, including court costs and reasonable attorneys' fees incurred in prosecuting the unlawful detainer action.

D. The Association shall give the tenant and the Owner notice in writing of the nature of the violation of the Declaration and/or Rules, and twenty-five (25) days from the mailing of the notice in which to cure the violation before the Association may file for eviction.

E. Each Owner shall provide a copy of the Declaration, Bylaws and all rules and regulations of the Association to each tenant of his or her Unit. By becoming a tenant, each tenant agrees to be bound by the Declaration, the Bylaws and the Rules of the Association, and recognizes and accepts the right and power of the Association to evict a tenant for any violation by the tenant of the Declaration, the Bylaws, and Rules of the Association. The Owner shall cause the tenant to acknowledge in writing that the tenant has read and understood the Declaration, the Bylaws, and the Rules, and agrees to comply with the provisions. The signed acknowledgement is to be provided to the Association's manager within fifteen (15) days of occupancy.

F. Notwithstanding anything to the contrary in this section 7.9, the following provisions shall control the leasing or rental of any Units in the Project:

(1) **Lease/Rental Units.** The purpose of this provision is to set forth the limitations and restrictions in regard to lease or rental of Units. The primary purpose of the limit and restrictions is to protect and preserve property values, the availability of preferred financing through compliance with secondary market standards for similar projects, the active participation and cooperation of the Members in the management of the Project by the Board of Directors, and

the residential nature and quality of the development by limiting the number of Units that are leased or rented to third parties.

(2) Definitions.

(a) "Lease" or "Rental" means any agreement between an Owner and a third party whereby the third party receives the use and possession of the Owner's Unit (without the Owner in residence) and the Owner receives monetary or other compensation in return for those rights.

(b) "Third Party" for the purposes of this section 7.9 means any party without an ownership interest in the Unit.

(c) "Quota" for purposes of this section 7.9 means the number of leased/rented Units at any point in time shall not be more than thirty (30) out of a total one hundred twenty-two (122) units.

(d) "Governing Documents" refers to the Declaration, as amended, the Association Bylaws, and any Association rules or policies currently in effect.

(e) "Owner" or "Owners" for purposes of this section 7.9 mean only the record holder(s) of fee simple legal title to a Unit in the Project, and shall not refer to any holder of a security of equitable interest in any Unit, including, without limitation, any purchaser under a contract of sale for any Unit.

(3) Rights of Owners. Any Owner shall be entitled to rent/lease his/her Unit only where one or more of the following circumstances exist.

(a) The Unit is leased to a tenant prior to the date of recordation of this Amended Declaration (provided this exemption shall cease as to a particular Unit upon the expiration of the lease, including any extensions provided for therein, in place as of the date of recordation of this Declaration); or

(b) The Owner became Owner of the subject Unit prior to the effective date of this Amended Declaration and the lease is executed thereafter and complies with the provisions of section 7.9(4)(b), below; or

(c) The Owner inherited the subject Unit as a bona fide heir to the estate of a deceased Owner described in subpart (2) above and the lease is executed thereafter and complies with the provisions of section 7.9(4)(b), below; or

(d) The Board of Directors has formally approved, in writing, the Owner's written request to lease/rent the subject Unit pursuant to section 7.9(5)(a): (b) or (c); or

(e) The Board of Directors has waived its right to deny an Owner's written request to rent/lease a Unit by failing to make a determination within the time periods provided for in section 7.9(4), below.

(4) Request for Approval of Board. All Owners leasing or renting at the time this provision becomes effective must "register" with the Board, by providing a copy of the existing lease. Existing lease agreements on the date of recordation of this Declaration shall be deemed approved, but not be extended beyond the term provided in such lease agreement, including any extensions provided for therein, without compliance with this section 7.9(4). All other Owners must seek approval prior to entering into a lease or rental arrangement Owners applying for

approval of leasing of a Unit have the right to request a hearing before the Board of Directors. The hearing shall be set before the Board of Directors within thirty (30) days after receipt of the request for hearing together with the application for approval, and the Board shall make its determination within five (5) days after the hearing. In cases where a hearing is not requested, the Board shall make its determination within thirty (30) days after receipt of the application for approval. If the Board fails to make a determination on any application within the foregoing time periods, its right to disapprove the request is waived. These time limits may be extended by the written agreement of both parties, i.e., the Owner(s) and Board of Directors. The Board of Directors has the power to approve or disapprove requests to rent/lease Units, in accordance with the standards set forth in section 7.9(5), below. Before any Unit may be considered for approval to be leased/rented, and before any of the foregoing time periods begin to run, the Owner must provide the Board of Directors with all of the following documents for its consideration.

(a) A written request to lease/rent the subject Unit, identifying the subject Unit and stating the proposed lease term and the tenant and other information required in this section 7.9; and

(b) A written lease (in the form to be used by the Owner) which specifies the following terms and conditions:

(i) The tenant shall be subject to all of the same provisions of the Governing Documents as the Owner;

(ii) Failure by the tenant to comply with the provisions of the Governing Documents will constitute a default under the rental/lease agreement; and

(iii) The term shall not be less than one (1) year; and

(c) A "Statement of Hardship and Request for Board Hearing" setting forth the special circumstances for the request to lease the Unit, if the Owner wishes to qualify for approval under section 7.9(5)(c).

The foregoing written applications and supporting documents (the "Completed Application") must be hand-delivered personally to a Board member at a Board meeting or hand-delivered or mailed to the attention of the President of the Board of Directors. Notwithstanding anything to the contrary in this section 7.9, the Board of Directors has discretion to deny consideration of a request where a Completed Application has not been received by the Board.

(5) Criteria for Approval. The Board of Directors shall follow the criteria set forth in this section 7.9 in considering applications for approval to lease/rent Units.

(a) Required Approval of Lease Application. The Board of Directors shall approve any requests to lease a Unit so long as the requirements of this section 7.9 have been satisfied, and (a) the present number of leased/rented Units in the Project does not exceed the "Quota" set forth in section 7.9(2)(c) above; or (b) the Owner is an Owner qualified under sections 7.9(3)(a), 7.9(3)(b) or 7.9(3)(c) above; or (c) the Board finds that the criteria set forth in section 7.9(5)(c) have been met.

(b) Required Disapproval of Lease Application. The Board of Directors shall not approve any requests to lease/rent a Unit where the requirements of subpart (1), above, have not been met.

(c) Approval of Lease Application in Special Cases.

(i) The Board shall approve the temporary leasing of a Unit for a one (1) year period WITHOUT regard to the Quota limitation in special circumstances which the Board finds meet the following criteria:

(A) non-permanent job transfer, where the Owner is moving out of the area because of the distance of new work site from the Project and expects to occupy the Unit again at the end of the assignment;

(B) serious illness in the family or a person with a close relationship to the Owner which requires the Owner to live elsewhere temporarily to provide care for the ill person;

(C) substantial, adverse changes in the Owner's financial condition, due to job loss, emergency expenses or other sudden loss, which create a significant problem for the Owner in maintaining the expenses of ownership of the Unit without the benefit of rental income and threaten forfeiture of the Unit; and

(D) the Owner has actively tried to sell the Unit by listing the Unit for sale on the local multiple listing at a reasonable price for three consecutive months without receiving an offer to buy the Unit at a price within five percent (5%) of the listing price (a reasonable price shall be a price within \$20,000 of the highest sales price of comparable Units within the Project within the six (6) month period preceding the listing of the Unit for sale, or if no such sales exist, the appraised value of the Unit based on a letter appraisal from a local realtor with at least five (5) years experience in residential sales in the local area, to be obtained by the Association);

(ii) The Board may also approve the temporary leasing of a Unit for a one (1) year period WITHOUT regard to Quota limitation in other special circumstances where the liability to lease the Unit will create a serious hardship on the Owner as a result of unexpected circumstances.

The purpose of this section 7.9(5)(c) is to protect Owners from serious hardship, but it is not intended to permit owner-occupied Units to be converted to rental Units at a time that the Quota has been exceeded unless the Owner shows one or more of the special circumstances set forth in section 7.9(5)(c)(i), above, or other serious hardship due to unexpected circumstances. Any denial of a "Special Circumstances" request must be based on a finding by the Board of Directors that withholding its approval is reasonably related to the protection, preservation or proper operation of the Project and the purposes of the Association as set forth in section 7.9(5)(c), above, or otherwise in its Governing Documents, and that the Owner will not suffer serious hardship due to unexpected circumstances. For purposes of this section 7.9(5)(c), not having read or known the content of this Declaration is not an "unexpected circumstance." An Owner may be considered for an extension to the one-year period referred to in this section 7.9(5)(c) by reapplying to the Board of Directors for approval to lease the Unit as provided in this section 7.9.

(6) Record Keeping/Waiting List.

(a) Association's Obligations. The Secretary or other designated representative of the Association shall:

(i) Keep records regarding the number of leased/rented Units;

(ii) Keep records regarding mailing address and telephone number of the Owner and telephone number of the tenant, as provided by the Owners;

(iii) Keep records of all requests to lease/rent Units and files containing the date of request and lease agreements provided by the Owners;

(iv) Keep a waiting list of all Owners desiring to lease/rent their Units when the Quota limitations are filled. Owners shall receive priority on the waiting list according to the order in which their requests to lease/rent their Units are received. Once a waiting list is formed, requests of Owner on that list will be considered before those requests of Owners not on the list, in order of priority, except as to section 7.9(5)(c)(i) and (ii) special cases above.

7.10 Architectural Control: The purpose and intent of this section is to empower the Association to preserve property values within the Project. The Board shall operate pursuant to the following guidelines:

A. The emphasis shall be upon keeping out of the Project what is considered bizarre, outlandish, or offensive to a reasonably prudent homeowner within the Project. The objective then becomes to prevent additions, alterations or replacements which are reasonably likely to be detrimental to the overall ambiance of the Project, and reasonably likely to adversely affect property values throughout the Project. The restrictions are not intended to empower the Board to act arbitrarily, capriciously, or whimsically in the process of reviewing plans. Standards should be established which are both reasonable and objective, and which are reasonably ascertainable, and are uniformly and fairly applied to all, and in all cases. The Board shall base its decisions on what is in the best interests of the Project as a whole, and not upon what will appease a particular Member or group of Members.

B. No building, fence, wall, pool, spa, obstruction, outside or exterior wiring, balcony, screen, patio, patio cover, tent, awning, carport, carport cover, improvement or structure of any kind shall be commenced, installed, erected, painted, repainted or maintained upon the Project, nor shall any alteration or improvement of any kind be made thereto until the same has been approved in writing by the Board. Notwithstanding the foregoing, Owners may improve or alter any improvements within the interior boundaries of the Owner's Unit, provided such improvement or alteration does not impair the structural or acoustical integrity of any Common Area, the utilities or other systems servicing the Common Area or other Condominiums, and does not involve altering any Common Area (including bearing walls).

C. Plans and specifications showing the nature, kind, shape, color, size, materials and location of any proposed improvements or alterations, shall be submitted to the Board for approval as to quality of workmanship and design and harmony of external design with existing structures. No permission or approval shall be required to repaint in accordance with the original color scheme, or to rebuild in accordance with Declarant's original plans and specifications. No permission or approval shall be required to repaint in accordance with a color scheme previously approved by the Board, or to rebuild in accordance with plans and specifications previously approved by the Board. Nothing contained in this paragraph shall be construed to limit the right of an Owner to paint the interior of his or her Unit any color desired.

D. No landscaping or other physical improvements or additions shall be made to any decks, balconies, planter boxes, patios or yards which are visible from the street or from the Common Area until plans and specifications showing the nature, kind, shape and location of the materials shall have been submitted to and approved in writing by the Board.

In reviewing and approving or disapproving a proposed alteration, modification or improvements to a Unit that is subject to review under section 7.10 of the Declaration, the Board or Architectural Committee shall satisfy the following requirements in accordance with California Civil Code section 1378:

(1) The Board or Architectural Committee shall provide a fair, reasonable, and expeditious procedure for making its decision. The procedure shall provide for prompt deadlines. The procedure shall state the maximum time for response to an application or a request for reconsideration by the Board of Directors.

(2) A decision on a proposed change shall be made in good faith and may not be unreasonable, arbitrary, or capricious.

(3) A decision on a proposed change shall be consistent with any governing provision of law, including, but not limited to, the Fair Employment and Housing Act (Part 2.8, commencing with Section 12900) of Division 3 of Title 2 of the Government Code.

(4) A decision on a proposed change shall be in writing. If a proposed change is disapproved, the written decision shall include both an explanation of why the proposed change is disapproved and a description of the procedure for reconsideration of the decision by the Board of Directors.

(5) If a proposed change is disapproved, the applicant is entitled to reconsideration by the Board of Directors that made the decision at an open meeting of the Board. This paragraph does not require reconsideration of a decision that is made by the Board or a body that has the same membership as the Board, at a meeting that satisfies the requirements of California Civil Code section 1363.05. Reconsideration by the Board does not constitute dispute resolution within the meaning of California Civil Code section 1363.820.

E. In the event the Board fails to approve or disapprove plans and specifications in writing within thirty (30) days after the same have been submitted to it, approval will not be required and the related covenants shall be deemed to have been fully complied with.

F. Approval of plans by the Board shall in no way make the Board or its members responsible for or liable for the improvements built after approval of the plans, and the Owner whose plans are approved shall defend, indemnify and hold the Board, the Association, and its members, harmless from any and all liability arising out of such approval.

G. Governmental Approvals: All alterations, modifications, or other improvements on or within Units in the Project shall comply with all design requirements, approvals and procedures of the City. Before commencement of any alteration or improvements approved by the Board, the Owner shall comply with all appropriate governmental laws and regulations. Approval by the Board does not satisfy the appropriate approvals that may be required by any governmental entity with appropriate jurisdiction.

H. Completion of Work; Review of Work: Upon approval of the Board, the Owner shall diligently proceed with the commencement and completion of all work so approved by the Board in compliance with the approvals granted. The work must be commenced within thirty (30) days from the date of approval unless the Board permits the work to be commenced at a later time. If the work is not commenced within six months after the approval date, or such later time as

the Board has granted, then the approval shall be deemed cancelled, and the Owner must reapply to the Board before undertaking any such work.

The Board shall inspect work within thirty (30) days after a notice of completion has been delivered to the Board by the Owner. The Board may also inspect the work at any time prior to completion as it deems appropriate to determine that the Board approval is being followed. The Board is to inspect the work performed, and determine whether it was performed and completed in compliance of the approval granted in all material respects. If at any time during the construction of any work, the Board finds that the work was not performed or completed in compliance of the approval granted in all material respects, or if the Board finds that the appropriate approval which was required for any work was not obtained, the Board shall notify the Owner in writing of the non-compliance. The notice shall specify in writing the particulars of non-compliance, and shall set forth the requirement of the Owner to remedy the non-compliance. The Board shall determine in its reasonable judgment whether an alteration, modification or improvement complies with the approval as granted in material respects. Minor changes, deviations or imperfections that do not negatively affect or impact the Project shall not be considered as non-compliance.

If the Board has determined an Owner has not constructed an improvement in compliance of the approval granted in all material respects, and if the Owner fails to remedy such non-compliance in accordance with provisions of the notice of non-compliance, then after expiration of 30 days from the date of such notification, the Board shall provide Notice and Hearing to consider the Owner's continuing non-compliance. The Board shall act after expiration of 30 days from the date of such notification. At the Hearing, if the Board finds that there is no valid reason for the continuing non-compliance, the Board shall then require the Owner to remedy the non-compliance as necessary and appropriate in the determination of the Board as to result in the improvement being rendered as reasonably in compliance as is appropriate for the overall good and benefit of the Project, or remove the same within a period of not more than 45 days from the date of the Board's determination. If the Owner does not comply with the Board's ruling within such period, or within any extension of such period as the Board, in its discretion may grant, the Board may (1) remove the non-complying improvement, (2) remedy the non-compliance, (3) institute legal proceedings to enforce compliance or completion.

7.11 Structural Integrity: Nothing shall be done in or on any Unit or in or on the Common Area which will impair the structural integrity of the building. Planters or pots heavier than fifty (50) pounds (dry weight) and a maximum of 8 15-gallon containers are not to be placed on decks or balconies.

7.12 Clothes Lines: There shall be no outside laundering or drying of clothes. No draping of towels, carpets, flags, or laundry over railings shall be allowed.

7.13 Power Equipment and Motor Vehicle Maintenance: No power equipment, hobby shops, or motor vehicle maintenance (other than emergency work) shall be permitted on the Project except with prior written approval of the Board. Use of power tools is restricted to the hours of 8:00 a.m. to 5:00 p.m. on weekdays and Saturdays. Approval shall not be unreasonably withheld and in deciding whether to grant approval the Board shall consider the effects of noise, air pollution, dirt or grease, fire hazard, interference with radio or television reception, and similar objections. All hazardous or toxic materials shall be disposed of properly by each Owner.

7.14 Liability of Owners for Damage to Common Area: The Owner of each Condominium shall be liable to the Association for all damage to the Common Area or improvements to the extent described in section 5.1A.

7.15 Activities Causing Increase in Insurance Rates: Nothing shall be done or kept on any Unit or in any improvements constructed thereon or in the Common Area, which will

increase any applicable rate of insurance or which will result in the cancellation of insurance on any Unit or any part of the Common Area, or which would be in violation of any law.

7.16 Flags, Pennants, Banners, Etc.: There shall be no exhibiting, flying or hanging of any flags, pennants, banners, kites, towels, etc., from any area of the Project that would be visible from the street, Common Area, or the other Units, except in conformance with Rules adopted by the Board, and for flags that are expressly permitted by statute.

7.17 Floor Coverings: No change in the floor covering materials originally installed in the Units shall be permitted except with the consent of the Board. To reduce sound transmission, all Units which are above other Units shall have all floor areas except kitchens and bathrooms covered with carpet or other material which provides equivalent insulation against sound transmission to the Unit below. There shall be no alteration of floor coverings that will result in an increase in sound transmission into any other Unit.

7.18 Window Coverings: All drapes, curtains, shutters, blinds or other window coverings visible from the street or Common Areas shall be beige, white, or off-white in color or lined in beige, white, or off-white, or as the case may be, of colors, materials and patterns which are approved by the Board.

7.19 Sports Apparatus: No sports apparatus shall be attached to the building exterior, or affixed to any portion of the Common Area nor shall any portable apparatus be used for playing sports in the Project.

7.20 Common Area Use: Nothing shall be stored, grown, or displayed in the Common Area, including parking spaces, decks, balconies and patios, that is not approved in advance by the Board. No motor vehicle mechanical maintenance is permitted in the Common Area.

7.21 Keys and Locks: The Board shall retain a pass key to each Unit. No Owner shall alter any lock or install a new or additional lock in any door providing access to his or her Unit or any portion of the Common Area (except storage lockers inside of a storage room) over which he or she has exclusive use, without the consent of the Board. In the interest of security, safety, and welfare of the membership, Board of Directors retain the right to re-key all units when necessary.

7.22 Owner's Right and Obligation to Maintain and Repair: Except for those portions of the Project which the Association is required to maintain and repair, each Condominium Owner shall, at his or her sole cost and expense, maintain and repair the Unit, keeping the same in good condition. Each Owner shall be responsible for and bear the cost of maintenance, repair and replacement of the following items within such Owner's Unit: interior surfaces of all perimeter and interior walls, ceilings and floors (including carpeting, tile, wall paper, paint or other covering); garbage disposals, hot water heaters, ranges, refrigerators, dishwashers, washing machines, dryers, light fixtures, smoke detectors, and any and all other appliances of any nature whatsoever; heating, ventilating and air conditioning equipment servicing such Unit (although such equipment may be located in part outside such Unit); exterior door hardware, gaskets and seals, interior doors, including all hardware on the doors; cabinets, light bulbs; plumbing and other fixtures of any nature whatsoever; "built-in" features; and decorative features, fireplaces, if any, and any furniture and furnishings. Each Owner shall maintain, repair and replace any smoke detectors located in the Owner's Unit. Each Owner shall keep the Restricted Common Area appurtenant to the Owner's Condominium in a clean and neat condition at all times. Each Owner shall have the exclusive right to paint, plaster, panel, tile, wax, paper or otherwise refinish and decorate the inner surfaces of the walls, ceilings, floors, and doors bounding his or her Unit. In the event an Owner fails to maintain the interior of his or her Unit in a manner which the Board deems necessary to preserve the appearance and value of the Project, the Board may notify Owner of the work required and request it

be done within sixty (60) days from the giving of such notice. Use of chemicals that may damage the drain pipes and fixtures is strictly forbidden.

In order to reduce the presence of mold, fungi, spores, pollens and other botanical substances, or other allergens (collectively "Mold") within the Unit, the Owners shall inspect the interior of their dwellings not less frequently than once each quarter to check for water leaks or other breaches of the watertight integrity of the improvements, and for the presence of Mold. If any water leaks and/or Mold are detected within the Unit, the Owner shall immediately take appropriate corrective steps to repair the leak, and/or remove the Mold and to maintain proper ventilation within enclosed areas, and to maintain humidity levels to reduce the risk of Mold growth, and take such other prudent steps as may be appropriate to prevent Mold growth, or eliminate any existing Mold. Any mold or other infestation detected shall be noted to the Board in writing for appropriate action.

In the event the Owner fails to carry out such maintenance within one week, the Board may, following notice and hearing as provided in the Bylaws, cause such work to be done and the cost of the work shall immediately be paid by such Owner to the Association as a Reimbursement Charge, and until paid shall bear interest at the rate of twelve percent (12%) per annum (but no greater than the maximum rate authorized by law).

ARTICLE VIII INSURANCE; DAMAGE OR DESTRUCTION; CONDEMNATION

8.1 Insurance: The Association shall obtain and maintain the following insurance:

(1) a master hazard policy insuring all improvements, equipment and fixtures in the Project (including the Units as originally constructed) with policy limits of either: [a] full replacement value of the covered improvements or [b] no less than 80% of replacement cost of the covered improvements, excluding foundations and footings in either instances, unless otherwise required by FNMA or FHLMC requirements as set forth in subparagraph 8.1A, below. The following endorsements should be included in any such master hazard policy, if commercially reasonable to obtain:

- (a) changes in building codes ("ordinance or law endorsement");
- (b) inflation guard coverage;
- (c) demolition coverage;
- (d) "agreed-amount" endorsement (to eliminate a coinsurance problem);
- (e) replacement cost endorsement; and
- (f) primary coverage endorsement.

(2) an occurrence version comprehensive general liability policy insuring the Association, its agents, the Owners and their respective family members, against liability incident to the ownership or use of the Common Area or any other Association owned or maintained real or personal property. The amount of general liability insurance that the Association shall carry at all times shall be not less than the minimum amounts required by California Civil Code §1365.7 and § 1365.9;

(3) workers' compensation insurance to the extent required by law (or such greater amount as the Board deems necessary). The Association shall obtain a Certificate of Insurance naming it as an additional insured in regard to workers' compensation claims from any independent contractor who performs any service for the Association, if the receipt of such a certificate is practicable;

(4) fidelity bonds or insurance covering officers, directors, and employees that have access to any Association funds;

(5) officers and directors liability insurance in the minimum amounts required by California Civil Code §§ 1365.7;

(6) insurance against water damage, and liability for non-owned and hired automobiles, such other insurance as the Board in its discretion considers necessary or advisable; and

(7) earthquake insurance to the extent required by law, and if not required by law, then to the extent available at commercially reasonable rates in the opinion of the Board.

A. Amount, Term and Coverage. The amount, term and coverage of any policy required hereunder (including the type of endorsements, the amount of the deductible, the named insureds, the loss payees, standard Mortgage clauses, notices of changes or cancellations, and the insurance company rating) shall satisfy the minimum requirements imposed for this type of project by the Federal National Mortgage Association ("FNMA") and the Federal Home Loan Mortgage Corporation ("FHLMC") or any successor to either of those entities (except for earthquake insurance, the purchase of which shall be within the discretion of the Board, as provided in § 8.1(7) above). If the FNMA or FHLMC requirements conflict, the more stringent requirement shall be met. If FNMA and FHLMC do not impose requirements on any policy required hereunder, the term, amount and coverage of such policy shall be no less than that which is customary for similar policies on similar projects in the area. The Board shall adopt a policy regarding payment of deductibles on any insurance coverage. Unless the Board determines otherwise, the Association shall pay deductibles required under any insurance claims from Association funds, unless insufficient funds are available to the Association from the Association's accounts or from funds borrowed by the Association in accordance with this Declaration, in which event the Association shall levy a Special Assessment, in accordance with sections 4.3B and 4.4 of this Declaration, with respect to the amount of any such deductible which exceeds funds available to the Association from Association funds or from borrowing.

B. Representation for Claims. Each Owner appoints the Association or any insurance trustee designated by the Association to act on behalf of the Owners in connection with all insurance matters arising from any insurance policy maintained by the Association, including without limitation, representing the Owners in any proceeding, negotiation, settlement or agreement.

C. Waiver of Subrogation. Any insurance maintained by the Association shall contain "waiver of subrogation" as to the Association and its officers, directors and Members, the Owners and occupants of the Condominiums and Mortgagees, and, if obtainable, a cross-liability or severability of interest endorsement insuring each insured against liability to each other insured.

All individually owned insurance shall contain a waiver of subrogation as to the Association and its officers, directors and Members, the Owners and occupants of the Condominiums and Mortgagees, and all Members are deemed to have waived subrogation rights as to the Association and/or other Members, whether or not their policies so provide.

D. Review of Policies. The Association shall periodically (and not less than once every three (3) years) review all insurance policies maintained by the Association to determine the adequacy of the coverage and to adjust the policies accordingly.

E. Separate Insurance Limitations. No Owner shall separately insure his or her Condominium against loss by fire or other casualty covered by any insurance carried by the Association. If any Owner violates this provision, any diminution in insurance proceeds otherwise payable under the Association's policies that results from the existence of such other insurance will be chargeable to the Owner who acquired other insurance. The insurance maintained by the

Association does not cover the personal property in the residences and does not cover personal liability for damages or injuries occurring in the Units. Owners shall insure their personal property against loss and shall carry personal liability insurance. In addition, any improvements made by an Owner within his or her Unit shall be separately insured by the Owner. The insurance shall be the type of coverage commonly known as "improvements insurance" (commonly referred to as "HO-6 coverage"). The Owner shall not obtain such insurance if the policy referred to in section 8.1(1) will provide coverage for such improvements. Tenants shall carry tenants' contents insurance (commonly referred to as "HO-4 coverage").

F. Copies of Policies; Notice to Members. The Association shall make available to all Members a copy of the Association's policy to enable Members to insure their Units without duplicating insurance carried by the Association and inadvertently triggering a co-insurance clause in the Association's policy referred to in section 8.1(1). The Association shall distribute annually to the Members a summary of the Association's insurance policies as required by Civil Code section 1365(e) and as provided in the Bylaws. The Association, as soon as reasonably practical, shall notify its Members by first-class mail if any of the policies have been cancelled and not immediately renewed or restored or if there is a significant change such as a reduction in coverage or limits or an increase in the deductible for any policy. If the Association receives any notice of non-renewal of a policy, the Association immediately shall notify its Members if replacement coverage will not be in effect by the date the existing coverage will lapse.

To the extent that the information required to be disclosed, as described in Civil Code §1365(e), is specified in the insurance policy declaration page, the Association may meet its disclosure obligations by making copies of that page and distributing copies to all its Members.

G. Limitation on Liability. The Association, and its directors and officers, shall have no liability to any Owner or Mortgagee if, after a good faith effort, it is unable to obtain the insurance required hereunder, because the insurance is no longer available or, if available, can be obtained only at a cost that the Board in its sole discretion determines is unreasonable under the circumstances, or the Members fail to approve any Assessment increase needed to fund the insurance premiums. In such event, the Board immediately shall notify each Member and any Mortgagee entitled to notice that the insurance will not be obtained or renewed.

H. Policies and Procedures Regarding the Filing and Processing of Claims: The Board shall adopt a policies and procedures regarding the filing and processing of claims for damage and destruction of Common Area improvements or any other matters covered by insurance maintained by the Association.

8.2 Damage or Destruction: If Project improvements are damaged or destroyed by fire or other casualty, the improvements shall be repaired or reconstructed substantially in accordance with the original as-built plans and specifications, modified as may be required by applicable building codes and regulations in force at the time of such repair or reconstruction and subject to such alterations or upgrades as may be approved by the Board, unless either of the following occurs: (1) the cost of repair or reconstruction is more than fifty percent (50%) of the current replacement costs of all Project improvements, available insurance proceeds are not sufficient to pay for at least eighty-five percent (85%) of the cost of such repairs or reconstruction, and three-fourths (3/4) of the total voting power of the Association residing in Members and their First Lenders vote against such repair and reconstruction; or (2) available insurance proceeds are not sufficient to substantially repair or reconstruct the improvements within a reasonable time as determined by the Board, a Special Assessment levied to supplement the insurance fails to receive the requisite approval (if such approval is required) as provided in section 4.4, and the Board, without the requirement of approval by the Owners, is unable to supplement the insurance by borrowing on behalf of the Association sufficient monies to enable the improvements to be substantially repaired or reconstructed within a reasonable time.

A. Process For Repair or Reconstruction: If the improvement is to be repaired or reconstructed and the cost for repair or reconstruction is in excess of twenty-five percent (25%) of the current replacement cost of all the Project improvements, the Board shall designate a construction consultant, a general contractor, and an architect for the repair or reconstruction. All insurance proceeds, Association monies allocated for the repair or reconstruction, and any borrowings by the Association for the repair or reconstruction shall be deposited with a commercial lending institution experienced in the disbursement of construction loan funds (the "depository") as selected by the Board. Funds shall be disbursed in accordance with the normal construction loan practices of the depository that require as a minimum that the construction consultant, general contractor and architect certify within ten (10) days prior to any disbursement substantially the following:

(1) that all of the work completed as of the date of such request for disbursement has been done in compliance with the approved plans and specifications;

(2) that such disbursement request represents monies which either have been paid by or on behalf of the construction consultant, the general contractor or the architect and/or are justly due to contractors, subcontractors, materialmen, engineers, or other persons (whose name and address shall be stated) who have rendered or furnished certain services or materials for the work and giving a brief description of such services and materials and the principal subdivisions or categories thereof and the respective amounts paid or due to each of said persons in respect thereof and stating the progress of the work up to the date of said certificate;

(3) that the sum then requested to be disbursed plus all sums previously disbursed does not exceed the cost of the work insofar as actually accomplished up to the date of such certificate;

(4) that no part of the cost of the services and materials described in the foregoing paragraph 8.2(1) has been or is being made the basis for the disbursement of any funds in any previous or then pending application; and

(5) that the amount held by the depository, after payment of the amount requested in the pending disbursement request, will be sufficient to pay in full the costs necessary to complete the repair or reconstruction.

If the cost of repair or reconstruction is less than twenty-five percent (25%) of the current replacement cost of all the Project improvements, the Board shall disburse the available funds for the repair and reconstruction under such procedures as the Board deems appropriate under the circumstances.

The repair or reconstruction shall commence as soon as reasonably practicable after the date of such damage or destruction and shall be completed as quickly as is reasonably practicable after commencement of reconstruction, subject to delays that are beyond the control of the party responsible for making the repairs. The Owner of the damaged or destroyed improvement immediately shall take such steps as may be reasonably necessary to secure any hazardous condition and to screen any unsightly views resulting from the damage or destruction.

B. Process If Repair or Reconstruction Not Undertaken: If the improvements are not repaired or reconstructed in accordance with the foregoing, all available insurance proceeds shall be disbursed among the Owners of the damaged Units and their respective Mortgagees in proportion to the respective fair market values of their Condominiums as of the date immediately preceding the date of damage or destruction as determined by a qualified independent appraiser selected by the Board, after first applying the proceeds to the cost of

mitigating hazardous conditions on the Project, making provision for the continuance of public liability insurance to protect the interests of the Owners until the Project can be sold, and complying with all other applicable requirements of governmental agencies. In the event of a failure to agree upon an appraiser, the appraiser shall be appointed by the then President of the San Mateo County Bar Association.

If the failure to repair or reconstruct results in a material alteration of the use of the Project from its use immediately preceding the damage or destruction as determined by the Board (a material alteration shall be conclusively presumed if repair or reconstruction costs exceed twenty-five percent (25%) of the current replacement cost of all Project improvements), the Project shall be sold in its entirety under such terms and conditions as the Board deems appropriate. If any Owner or First Lender disputes the Board's determination as to a material alteration, the dispute shall be submitted to arbitration pursuant to the rules of the American Arbitration Association, and the decision of the arbitrator shall be conclusive and binding on all Owners and their Mortgagees.

If the Project is sold, the sales proceeds shall be distributed to all Owners and their respective Mortgagees in proportion to their respective fair market values of their Condominiums as of the date immediately preceding the date of damage or destruction as determined by the independent appraisal procedure described above. For the purpose of effecting a sale under this section 8.2, each Owner grants to the Association an irrevocable power of attorney to sell the entire Project for the benefit of the Owners, to terminate the Declaration and to dissolve the Association. In the event the Association fails to take the necessary steps to sell the entire Project as required hereunder within sixty (60) days following the date of a determination by the Board or arbitrator of a material alteration, or if within one hundred twenty (120) days following the date of damage or destruction the Board has failed to make a determination as to a material alteration, any Owner may file a partition action as to the entire Project under California Civil Code §1359, or any successor statute, and the court shall order partition by sale of the entire Project and distribution of the sale proceeds as provided herein.

Notwithstanding anything herein to the contrary, any Owner or group of Owners shall have a right of first refusal to match the terms and conditions of any offer made to the Association in the event of a sale of the Project under this section 8.2 B, provided this right is exercised within ten (10) days of receipt by the Owners of a notice from the Association containing the terms and conditions of any offer it has received. If the Owner or group of Owners subsequently default on their offer to purchase, they shall be liable to the other Owners and their respective Mortgagees for any damages resulting from the default. If more than one (1) Owner or group elects to exercise this right, the Board shall accept the offer that in its determination is the best offer.

8.3 Condemnation: The Association shall represent the Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Area(s), or part thereof. In the event of a taking or acquisition of part or all of the Common Area(s) by a condemning authority, the award or proceeds of settlement shall be payable to the Association, or any trustee appointed by the Association, for the use and benefit of the Owners and their Mortgagees as their interests may appear. In the event of an award for the taking of any Condominium in the Project by eminent domain, the Owner of such Condominium shall be entitled to receive the award for such taking and after acceptance thereof he or she and his or her Mortgagee shall be divested of all interest in the Project if such Owner shall vacate his or her Condominium as a result of such taking. The remaining Owners shall decide by majority vote whether to rebuild or repair the Project, or take other action. The remaining portion of the Project shall be resurveyed, if necessary, and the Declaration shall be amended to reflect such taking and to readjust proportionately the percentages of undivided interest of the remaining Owners in the Project. In the event of a taking by eminent domain of any part of the Common Area, the Association shall participate in the negotiations, and shall propose the method of division of the proceeds of condemnation, where Condominiums are not valued separately by the condemning

authority or by the court. Proceeds of condemnation shall be distributed among Owners of Condominiums and their respective Mortgagees according to the relative values of the Condominiums affected by the condemnation, said values to be determined by the method provided in section 8.2.

If there is a substantial taking of the Project (more than fifty percent (50%)), the Owners may terminate the legal status of the Project and, if necessary, bring a partition action under California Civil Code §1359 or any successor statute, on the election to terminate by fifty-one percent (51%) of the total voting power of the Association and the approval of Eligible Mortgage Holders holding Mortgages on Condominiums which have at least fifty-one percent (51%) of the votes of Condominiums subject to Eligible Mortgages. The proceeds from the partition sale shall be distributed to the Owners and their respective Mortgagees in proportion to the fair market values of their Condominiums as determined under the method described in section 8.1.

ARTICLE IX GENERAL PROVISIONS

9.1 Enforcement: The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration, the Articles and the Bylaws, and in such action shall be entitled to recover reasonable attorneys' fees as are ordered by the Court. The Association shall have the right to record a Notice of Violation against the Condominium of an Owner who is not in compliance with the provisions of the Project Documents if permitted by law. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

9.2 Invalidity of Any Provision: Should any provision or portion hereof be declared invalid or in conflict with any law of the jurisdiction where this Project is situated, the validity of all other provisions and portions hereof shall remain unaffected and in full force and effect.

9.3 Term: The covenants and restrictions of this Declaration shall run with and bind the Project, and shall inure to the benefit of and shall be enforceable by the Association or the Owner of any property subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless an instrument in writing, signed by a majority of the then Owners of the Condominiums, has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions in whole or in part, or to terminate the same.

9.4 Amendments: This Declaration may be amended only by the affirmative vote (in person or by proxy) or written consent of Members representing a majority of the total voting power of the Association. However, the percentage of voting power necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. Any amendment must be certified in a writing executed and acknowledged by the President or Vice President of the Association and recorded in the Recorder's Office of the County of San Mateo.

9.5 Encroachment Rights: If any portion of the Common Area encroaches on any Unit or any part thereof or any portion of a Unit encroaches on any Common Area due to engineering errors, errors or adjustments in original construction, reconstruction, repair, settlement, shifting, or movement of the building, or any other cause, the owner of the encroachment shall have the right to maintain, repair or replace the encroachment, as long as it exists, and the rights and obligations of Owners shall not be altered in any way by said encroachment, settlement or shifting; provided, however, that no right shall be created in favor of an Owner or Owners if said

encroachment occurred due to the intentional conduct of said Owner or Owners. In the event a structure is partially or totally destroyed, and then repaired or rebuilt, the Owners agree that minor encroachments over adjoining Condominiums or Common Area shall be permitted and that there shall be appropriate rights for the maintenance of said encroachments so long as they shall exist. In the event that an error in engineering, design or construction results in an encroachment of a building into the Common Area, or into or onto an adjoining lot, or into a required setback area, a correcting modification may be made in the subdivision map and/or Condominium Plan. Said modification may be in the form of a certificate of correction and shall be executed by the Association. The Board of Directors may, by vote or written approval of a majority of the directors, authorize the execution of the certificate of correction.

9.6 Rights of First Lenders: No breach of any of the covenants, conditions and restrictions herein contained, nor the enforcement of any lien provisions herein, shall render invalid the lien of any First Lender (meaning a Mortgage with first priority over any other Mortgage) on any Condominium made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through Foreclosure or trustee's sale, or otherwise. Notwithstanding any provision in the Condominium Documents to the contrary, First Lenders shall have the following rights:

A. Copies of Project Documents: The Association shall make available to Condominium Owners and First Lenders, and to holders, insurers or guarantors of any First Mortgage, current copies of the Declaration, Bylaws, Articles or other Rules concerning the Project and the books, records and financial statements of the Association. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances. The Board may impose a fee for providing the foregoing which may not exceed the reasonable cost to prepare and reproduce the requested documents.

B. Audited Statement: Any holder, insurer or guarantor of a First Mortgage shall be entitled, upon written request, to an audited financial statement for the immediately preceding fiscal year, free of charge to the party so requesting. Such statement shall be furnished within one hundred twenty (120) days of the Association's fiscal year-end.

C. Notice of Action: Upon written request to the Association, identifying the name and address of the Eligible Mortgage Holder or Eligible Insurer or Guarantor, and the Condominium number or address, such Eligible Mortgage Holder or Eligible Insurer or Guarantor will be entitled to timely written notice of:

(1) any condemnation loss or any casualty loss which affects a material portion of the Project or any Condominium on which there is a First Mortgage held, insured, or guaranteed by such Eligible Mortgage Holder or Eligible Insurer or Guarantor, as applicable;

(2) any default in performance of obligations under the Project Documents or delinquency in the payment of Assessments or charges owed by an Owner of a Condominium subject to a First Mortgage held, insured or guaranteed by such Eligible Mortgage Holder or Eligible Insurer or Guarantor, which remains uncured for a period of sixty (60) days;

(3) any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

(4) any proposed action which would require the consent of a specified percentage of Eligible Mortgage Holders as specified in section 9.6D.

The Association shall discharge its obligation to notify Eligible Mortgage Holders or Eligible Insurers or Guarantors by sending written notices required herein to such parties, at the address given on the current request for notice, in the manner prescribed by section 9.9.

D. Consent to Action:

(1) Except as provided by statute or by other provision of the Project Documents in case of substantial destruction or condemnation of the Project, and further excepting any reallocation of interests in the Common Area(s) which might occur pursuant to any plan of expansion or phased development contained in the original Project Documents:

(a) the consent of Owners of Condominiums to which at least sixty-seven percent (67%) of the votes in the Association are allocated and the approval of Eligible Mortgage Holders holding Mortgages on Condominiums which have at least fifty-one percent (51%) of the votes of Condominiums subject to Eligible Mortgages, shall be required to terminate the legal status of the Project as a Condominium Project; provided, however, that if termination is for reasons other than substantial destruction or condemnation, the agreement of Eligible Mortgage Holders representing at least sixty-seven percent (67%) of the votes of the Mortgaged Units is required;

(b) the consent of Owners of Condominiums to which at least sixty-seven percent (67%) of the votes in the Association are allocated and the approval of Eligible Mortgage Holders holding Mortgages on Units which have at least fifty-one percent (51%) of the votes of the Condominiums subject to Eligible Mortgages, shall be required to add or amend any material provisions of the Project Documents which establish, provide for, govern or regulate any of the following: (i) voting rights; (ii) increases in Assessments that raise the previously assessed amount by more than twenty-five percent (25%), Assessment Liens, or the priority of Assessment Liens; (iii) reductions in reserves for maintenance, repair, and replacement of Common Areas; (iv) responsibility for maintenance and repairs; (v) reallocation of interests in the general or Restricted Common Areas, or rights to their use; (vi) convertibility of Units into Common Areas or vice versa; (vii) expansion or contraction of the Project, or the addition, annexation, or withdrawal of property to or from the Project; (viii) hazard or fidelity insurance requirements; (ix) imposition or any restrictions on the leasing of Units; (x) imposition of any restrictions on an Owner's right to sell or transfer his or her Unit; (xi) restoration or repair of the Project (after damage or partial condemnation) in a manner other than that specified in the Project Documents; or (xii) any provisions that expressly benefit Mortgage holders, insurers, or guarantors;

(c) an Eligible Mortgage Holder who receives a written request to approve additions or amendments who does not deliver or post to the requesting party a negative response within thirty (30) days after the notice of the proposed addition or amendment shall be deemed to have approved such request, provided the notice has been delivered to the Mortgage holder by certified or registered mail, return receipt requested.

(2) except as provided by statute in case of condemnation or substantial loss to the Condominiums and/or common elements of the Project, unless the holder(s) of at least two-thirds (2/3) of the First Mortgages (based upon one (1) vote for each First Mortgage owned), or Owners of the individual Condominiums have given their prior written approval, the Association and/or the Owners shall not be entitled to:

(a) by act or omission, seek to abandon or terminate the Condominium Project (except for abandonment or termination provided by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain);

(b) change the pro rata interest or obligations of any individual Condominium for the purpose of: (i) levying Assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards; or (ii) determining the pro rata share of ownership of each Condominium in the Common Area, provided that no Owner's undivided interest in the Common Area may be changed without the consent of that Owner;

(c) partition or subdivide any Condominium Unit;

(d) by act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Area by the Condominium Project shall not be deemed a transfer within the meaning of this clause);

(e) use hazard insurance proceeds for losses to any of the Project (whether to Units or to Common Area) for other than the repair, replacement or reconstruction of such Project.

E. Right of First Refusal: The right of an Owner to sell, transfer, or otherwise convey his or her Condominium shall not be subject to any right of first refusal or similar restriction.

F. Contracts: Any agreement for professional management of the Project, or lease or any other contract providing for services of the developer, sponsor, or builder, may not exceed one (1) year. Any agreement, contract, or lease must provide for termination by either party for cause on thirty (30) days' written notice, or without cause and without payment of a termination fee or penalty on ninety (90) days' or less written notice.

G. Reserves: Condominium dues or charges shall include an adequate reserve fund for maintenance, repairs, and replacement of those improvements which the Association is obligated to maintain and that must be replaced on a periodic basis, and shall be payable in installments of Regular Assessments, rather than by Special Assessments.

H. Priority of Liens: Any Assessment Lien created under the provisions of this Declaration is expressly made subject and subordinate to the lien and encumbrance of any First Mortgage that encumbers all or any portion of the Project, or any Unit. Each First Lender who comes into possession of the Condominium by virtue of Foreclosure of the Mortgage, or any purchaser at a Foreclosure, will take the Condominium free of any claims for unpaid Assessments and fees, late charges, fines or interest levied in connection with such claims, against the Condominium which accrue prior to the time such First Lender or purchaser at a Foreclosure takes title to the Condominium, except for claims for a pro rata share of such Assessments or charges to all Condominiums including the mortgaged Condominium, and except for Assessment Liens as to which a Notice of Delinquent Assessment has been recorded prior to the Mortgage.

I. Distribution of Insurance or Condemnation Proceeds: No provision of the Condominium Documents gives an Owner, or any other party, priority over any rights of First Lenders in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or taking of Condominiums and/or Common Area.

J. Status of Loan to Facilitate Resale: Any First Mortgage given to secure a loan to facilitate the resale of a Condominium after acquisition by foreclosure or by a deed in lieu of foreclosure or by an assignment in lieu of foreclosure, shall be deemed to be a loan made in good faith and for value and entitled to all of the rights and protections of Mortgages under this Declaration.

K. Right to Appear at Meetings: Any Eligible Mortgage Holder may appear (but cannot vote) at meetings of Owners and the Board to draw attention to violations of this Declaration that have not been corrected or that have been made the subject of remedial proceedings or Assessments.

9.7 Owners' Compliance: Each Owner, tenant or occupant of a Condominium shall comply with the provisions of this Declaration, and (to the extent they are not in conflict with the Declaration) the Articles and Bylaws, the decisions and resolutions of the Association or the Board, as lawfully amended from time to time. Failure to comply with any such decisions, or resolutions shall be grounds for an action (1) to recover sums due, (2) for damages, (3) for injunctive relief, (4) for costs and attorneys fees, or (5) any combination of the foregoing.

In the event of a violation of the Project Documents, the Association may record a Notice of Violation against the Condominium of the non-complying Owner. Upon recording a Notice of Violation, the Association shall have complete discretion in deciding whether, when and how to proceed with enforcement, and any delay after recording a Notice of Violation shall not give rise to a defense of waiver or estoppel in favor of a non-complying Owner. The Association may take action to enforce compliance against a subsequent Owner who acquires a Condominium with a recorded Notice of Violation. The right of the Association to record a Notice of Violation shall be in addition to all other rights and remedies the Association may have at law or under the Project Documents.

All agreements and determinations lawfully made by the Association in accordance with the voting percentages established in this Declaration or in the Articles or the Bylaws, shall be deemed to be binding on all Owners, their successors and assigns.

9.8 Notice: Any notice permitted or required by the Declaration, Articles or Bylaws may be delivered either personally or by mail. If delivery is by mail, it shall be deemed to have been delivered seventy-two (72) hours after a copy of the same has been deposited in the United States mail, first class or registered, postage prepaid, addressed to the person to be notified at the current address given by such person to the Secretary of the Board or addressed to the Unit of such person if no address has been given to the Secretary.

9.9 Fair Housing: No Owner shall, either directly or indirectly, forbid or restrict the conveyance, encumbrance, leasing, or mortgaging, or occupancy of his or her Unit to any person of a specified race, sex, sexual orientation, marital status, color, religion, ancestry, physical handicap, or national origin. The Project is age-restricted as senior citizen housing pursuant to Civil Code section 51.3, as provided in section 7.1.

9.10. Dispute Resolution: The Board is authorized to resolve any civil claim or action through alternative dispute resolution proceedings such as mediation, binding arbitration, or non-binding arbitration proceedings. Prior to the filing of an enforcement action for declaratory, injunctive, or writ relief in conjunction for monetary damages not in excess of Five Thousand Dollars (\$5,000), the Board, or any Owner who seeks such relief, shall first endeavor to submit the matter to alternative dispute resolution in compliance with the provisions of California Civil Code sections 1369.510-1369.580. The Board shall comply with the requirements of California Civil Code section 1369.590 by providing Members of the Association annually with a summary of the provisions of Article 2 (commencing with Civil Code section 1369.510) of Chapter 7 of Title 6 (Division 2, Part 4) of the California Civil Code, including the following language: "Failure of a Member of the Association to comply with the alternative dispute resolution requirements of Section 1369.520 of the Civil Code may result in the loss of your right to sue the Association or another Member of the Association regarding enforcement of the Governing Documents or the applicable law."

9.11 Number; Gender: The singular and plural number and masculine, feminine and neuter gender shall each include the other where the context requires.

IN WITNESS WHEREOF, the undersigned has executed this Amended and Restated Declaration this 11 day of October, 2005.

CIVIL CODE SECTION 51.3

51.3. (a) The Legislature finds and declares that this section is essential to establish and preserve specially designed accessible housing for senior citizens. There are senior citizens who need special living environments and services, and find that there is an inadequate supply of this type of housing in the state.

(b) For the purposes of this section, the following definitions apply:

(1) "Qualifying resident" or "senior citizen" means a person 62 years of age or older, or 55 years of age or older in a senior citizen housing development.

(2) "Qualified permanent resident" means a person who meets both of the following requirements:

(A) Was residing with the qualifying resident or senior citizen prior to the death, hospitalization, or other prolonged absence of, or the dissolution of marriage with, the qualifying resident or senior citizen.

(B) Was 45 years of age or older, or was a spouse, cohabitant, or person providing primary physical or economic support to the qualifying resident or senior citizen.

(3) "Qualified permanent resident" also means a disabled person or person with a disabling illness or injury who is a child or grandchild of the senior citizen or a qualified permanent resident as defined in paragraph (2) who needs to live with the senior citizen or qualified permanent resident because of the disabling condition, illness, or injury. For purposes of this section, "disabled" means a person who has a disability defined in subdivision (b) of Section 54.A "disabling injury or illness" means an illness or injury which results in a condition meeting the definition of disability set forth in subdivision (b) of Section 54.

(A) For any person who is a qualified permanent resident under this paragraph whose disabling condition ends, the owner, board of directors, or other governing body may require the formerly disabled resident to cease residing in the development upon receipt of six months' written notice; provided, however, that the owner, board of directors, or other governing body may allow the person to remain a resident for up to one year after the disabling condition ends.

(B) The owner, board of directors, or other governing body of the senior citizen housing development may take action to prohibit or terminate occupancy by a person who is a qualified permanent resident under this paragraph if the owner, board of directors, or other governing body finds, based on credible and objective evidence, that the person is likely to pose a significant threat to the health or safety of others that cannot be ameliorated by means of a reasonable accommodation; provided, however, that the action to prohibit or terminate the occupancy may be taken only after doing both of the following:

(i) Providing reasonable notice to and an opportunity to be heard for the disabled person whose occupancy is being challenged, and reasonable notice to the coresident parent or grandparent of that person.

(ii) Giving due consideration to the relevant, credible, and objective information provided in the hearing. The evidence shall be taken and held in a confidential manner, pursuant to a closed session, by the owner, board of directors, or other governing body in order to preserve the privacy of the affected persons.

The affected persons shall be entitled to have present at the hearing an attorney or any other person authorized by them to speak on their behalf or to assist them in the matter.

(4) "Senior citizen housing development" means a residential development developed, substantially rehabilitated, or substantially renovated for, senior citizens that has at least 35 dwelling units.

Any senior citizen housing development which is required to obtain a public report under Section 11010 of the Business and Professions Code and which submits its application for a public report after July 1, 2001, shall be required to have been issued a public report as a senior citizen housing development under Section 11010.05 of the Business and Professions Code. No housing development constructed prior to January 1, 1985, shall fail to qualify as a senior citizen housing development because it was not originally developed or put to use for occupancy by senior citizens.

(5) "Dwelling unit" or "housing" means any residential accommodation other than a mobilehome.

(6) "Cohabitant" refers to persons who live together as husband and wife, or persons who are domestic partners within the meaning of Section 297 of the Family Code.

(7) "Permitted health care resident" means a person hired to provide live-in, long-term, or terminal health

care to a qualifying resident, or a family member of the qualifying resident providing that care. For the purposes of this section, the care provided by a permitted health care resident must be substantial in nature and must provide either assistance with necessary daily activities or medical treatment, or both. A permitted health care resident shall be entitled to continue his or her occupancy, residency, or use of the dwelling unit as a permitted resident in the absence of the senior citizen from the dwelling unit only if both of the following are applicable:

(A) The senior citizen became absent from the dwelling due to hospitalization or other necessary medical treatment and expects to return to his or her residence within 90 days from the date the absence began.

(B) The absent senior citizen or an authorized person acting for the senior citizen submits a written request to the owner, board of directors, or governing board stating that the senior citizen desires that the permitted health care resident be allowed to remain in order to be present when the senior citizen returns to reside in the development.

Upon written request by the senior citizen or an authorized person acting for the senior citizen, the owner, board of directors, or governing board shall have the discretion to allow a permitted health care resident to remain for a time period longer than 90 days from the date that the senior citizen's absence began, if it appears that the senior citizen will return within a period of time not to exceed an additional 90 days.

(c) The covenants, conditions, and restrictions and other documents or written policy shall set forth the limitations on occupancy, residency, or use on the basis of age. Any such limitation shall not be more exclusive than to require that one person in residence in each dwelling unit may be required to be a senior citizen and that each other resident in the same dwelling unit may be required to be a qualified permanent resident, a permitted health care resident, or a person under 55 years of age whose occupancy is permitted under subdivision (h) of this section or under subdivision (b) of Section 51.4. That limitation may be less exclusive, but shall at least require that the persons commencing any occupancy of a dwelling unit include a senior citizen who intends to reside in the unit as his or her primary residence on a permanent basis. The application of the rules set forth in this subdivision regarding limitations on occupancy may result in less than all of the dwellings being actually occupied by a senior citizen.

(d) The covenants, conditions, and restrictions or other documents or written policy shall permit temporary residency, as a guest of a senior citizen or qualified permanent resident, by a person of less than 55 years of age for periods of time, not less than 60 days in any year, that are specified in the covenants, conditions, and restrictions or other documents or written policy.

(e) Upon the death or dissolution of marriage, or upon hospitalization, or other prolonged absence of the qualifying resident, any qualified permanent resident shall be entitled to continue his or her occupancy, residency, or use of the dwelling unit as a permitted resident. This subdivision shall not apply to a permitted health care resident.

(f) The condominium, stock cooperative, limited-equity housing cooperative, planned development, or multiple-family residential rental property shall have been developed for, and initially been put to use as, housing for senior citizens, or shall have been substantially rehabilitated or renovated for, and immediately afterward put to use as, housing for senior citizens, as provided in this section; provided, however, that no housing development constructed prior to January 1, 1985, shall fail to qualify as a senior citizen housing development because it was not originally developed for or originally put to use for occupancy by senior citizens.

(g) The covenants, conditions, and restrictions or other documents or written policies applicable to any condominium, stock cooperative, limited-equity housing cooperative, planned development, or multiple-family residential property that contained age restrictions on January 1, 1984, shall be enforceable only to the extent permitted by this section, notwithstanding lower age restrictions contained in those documents or policies.

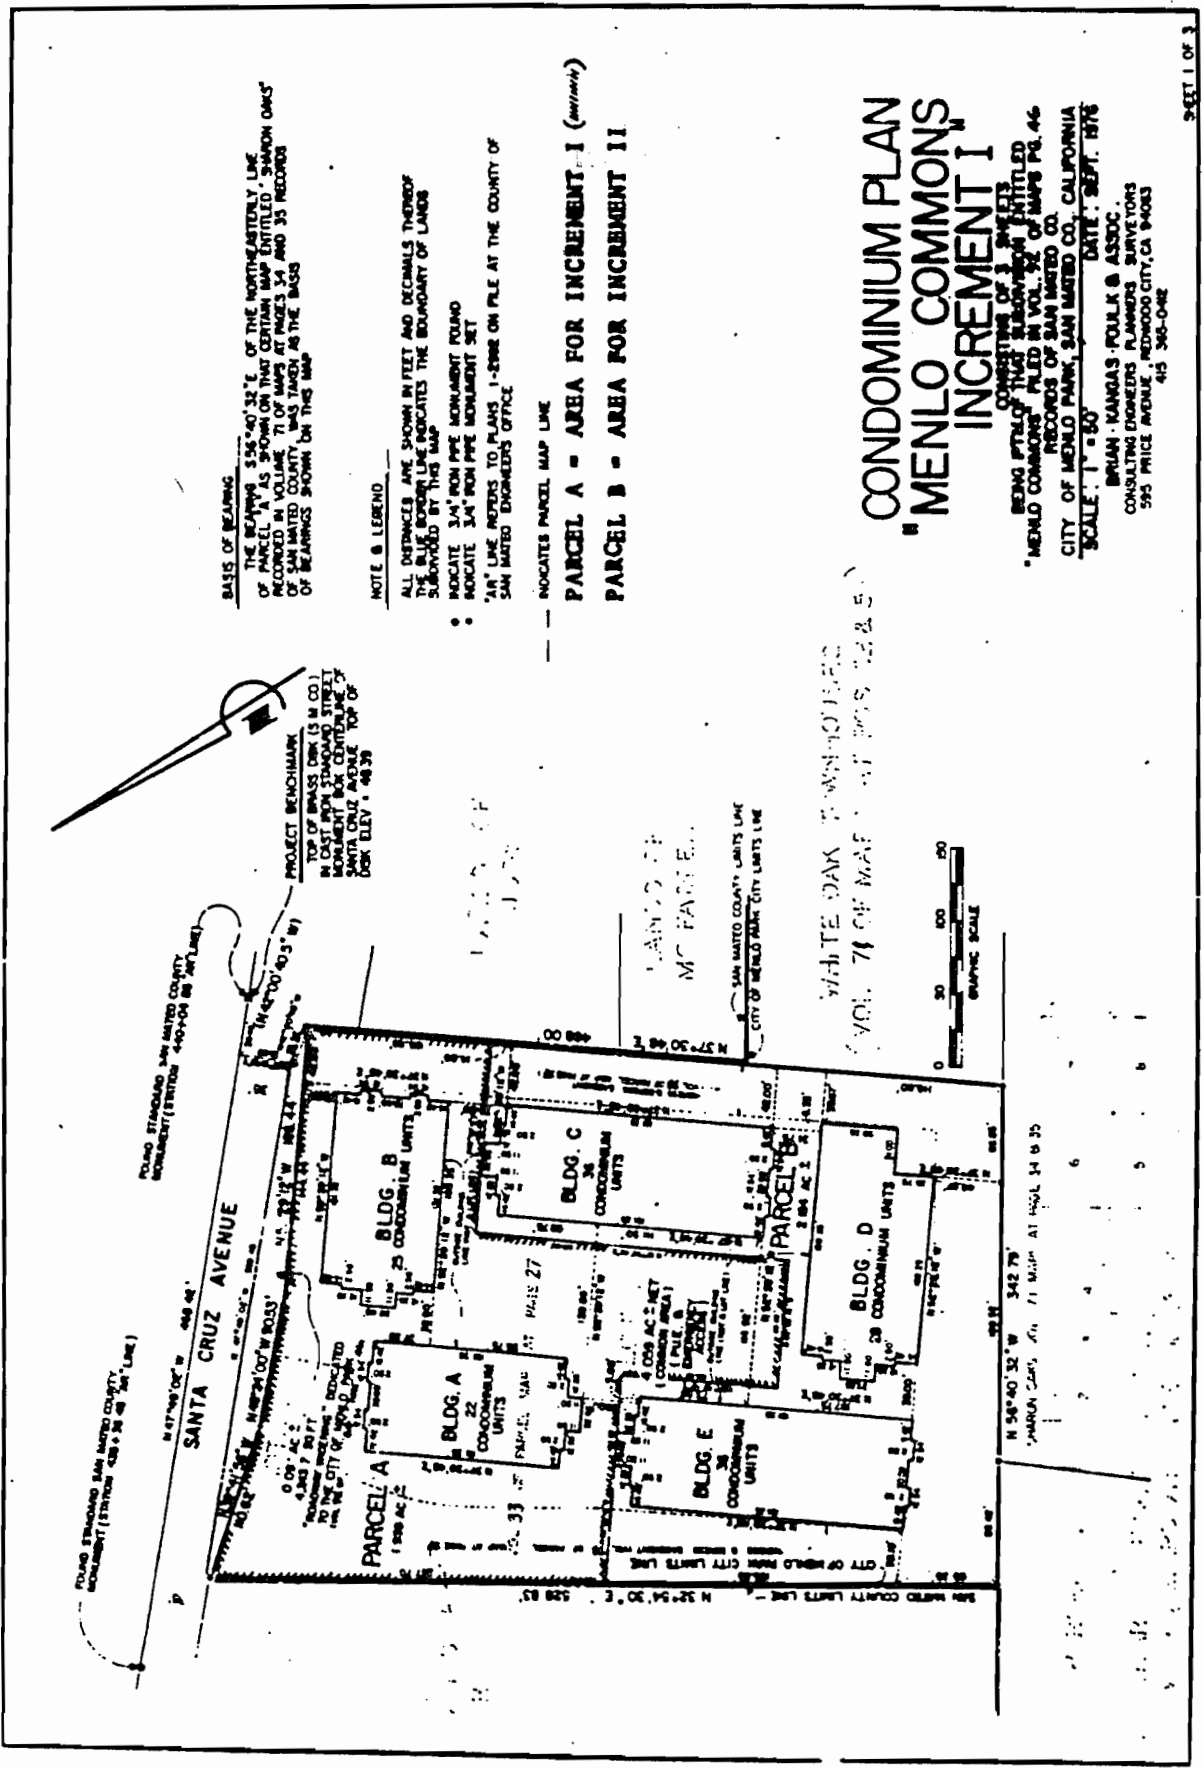

(h) Any person who has the right to reside in, occupy, or use the housing or an unimproved lot subject to this section on January 1, 1985, shall not be deprived of the right to continue that residency, occupancy, or use as the result of the enactment of this section.

(i) The covenants, conditions, and restrictions or other documents or written policy of the senior citizen housing development shall permit the occupancy of a dwelling unit by a permitted health care resident during any period that the person is actually providing live-in, long-term, or hospice health care to a qualifying resident for compensation. For purposes of this subdivision, the term "for compensation" shall include provisions of lodging and food in exchange for care.

(j) Notwithstanding any other provision of this section, this section shall not apply to the County of Riverside.
